PENNEY STORE OPENS FRIDAY

NEW MILAM THEATRE BEGINS OPERATION WEDNESDAY

NEW DAM GROUND BREAKING DECEMBER 9

LEON DAM CEREMONY SITE—The black arrow on this map marks the spot where ceremonies will be held on Dec. 9 at 12 noon, officially breaking ground for the Leon river dam. To reach the site, turn where the arrow crosses Highway 317, follow the road up the river bank.

FLOOD CONTROL DREAM IS NOW COMING TRUE

All of Texas is invited to the banks of the Leon River on December 9, to see a plain shovel make an old dream come true.

For generations—some say that old Jeff Davis, then U. S. secretary of war, was first to suggest it—residents in the fertile Leon, Little and Brazos River bottoms have dreamed of a dam that would halt the disastrous and persistent floods which boom down the Leon and into the Little Brazos.

Work on that dam will officially start Dec. 9, when the symbolic "first shovel of dirt" is turned. The dreams of many Central Texans, and the hard work of many Central Texans who have labored for 20 years to get the dam, will begin to come true.

Congress last year appropriated \$500,000 to start work on the Leon Dam. Further appropriations in the new fiscal year and following years will complete the earth and concrete dam, now estimated to cost \$24,000,000.

The dam site, where the ground-breaking ceremony will be held, is a little more than one mile west of the point where the Leon and State Highway 317 (Belton to Moody)

cross. Access is easy from all directions and the way will be plainly marked. It is about 5 miles South of the intersection of Highways 36 and 317 and 4 miles North of Belton.

There'll be real Texas barbecue and all the trimmings, plus entertainment numbers. State and national dignitaries—senators, representatives, high-ranking Army Engineer officers and others—will be present. But the speeches will be brief and few in number. The big event will be sticking that shovel in the ground and getting the dam started.

There'll be longtime residents of the Leon and Little valleys in the crowd Dec. 9, and if you see a few tears of joy in their eyes, think nothing of it. They'll be remembering how long this tricky and turbulent river has been drowning human beings and ruining crops—in the great flood of 1921, it took more than 100 lives and ruined crops and property valued at more than the estimated cost of the dam. And they'll be thankful that all this needless destruction is ending.

They hope you will come and share their happiness on Dec. 9.

LOCAL GROUP WILL BE AT DAM SITE DEC. 9

A group of local civic leaders will have a part in the ground breaking ceremonies for the Leon River dam on Thursday, December 9.

A. W. McCullin, former Mayor, will speak over station KTEM at 7:55 p. m. Thursday as a member of the program committee for the ground breaking ceremonies.

The Miller Springs dam near Belton is the first important construction to control the flood waters of Little River as a part of the Brazos River Reclamation plan.

Five cities in the area will send bands, Cameron the famous Yoe High School Band. Bands from Cameron, Temple, Belton, Gatesville and Killen will participate. Expenses will be paid by the respective Chamber of Commerce in the area.

L. Van Perkins is in charge of ticket sales here and citizens are urged to buy their tickets early. The program includes a barbecue.

Football Ticket? Some 15 Buyers Get Majority of Reserves

Want a ticket to the Cameron-New Braunfels game Friday night?

All you have to do is to contact some 15 individuals who early this morning bought up a majority of the reserved seats or near about. Block sales saw the supply of reserved seats exhausted within a matter of an hour or less as they went on sale at 7 a. m. Wednesday in the upper lobby of the Cameron Hotel.

Many loyal Yoemen fans were sorely disappointed as they were in the Cameron-San Saba game. One buyer is reputed to have gotten 200 tickets early Wednesday. This report is not confirmed but fans who have complained to The Herald say that some 15 got the vast majority of the tickets on sale by buying in large numbers. Consequently the fan who thought he had a chance came away in not too good humor.

The Herald received some protests following the San Saba-Cameron game ticket sale where 6 buyers got around 600 of the choice seats. The manner of sale, announced as first come first served, was not understood as such. The truth is the average fan believed that no one would get tickets beyond his personal requirements. In that they have a lot (turn to page eight)

Penney Company's "Mother" Store in Kemmerer, Wyoming

OPENED AS THE "GOLDEN RULE STORE," IN 1902

It was a small beginning in a real old Western mining town—just one small room on the town's muddy main street. It was an era when "let the buyer beware" was the ordinary business philosophy, and prices usually depended on the customer's haggling ability. Mr. Penny really lived up to the principles involved

Founder Penney Co.

J. C. PENNEY

James Cash Penney was born in Hamilton, Missouri. During his youth he clerked in a dry goods store, and in 1902 opened a similar store in Kemmerer, Wyoming, as one of three partners. Out of this humble beginning—one small store in a Western mining town—grew the present Penney Company with stores in every State in the Union. The phenomenal growth of the Company is proof of the soundness of Mr. Penney's belief in the Golden Rule as the best possible business policy. He applied the principles of square dealing equally in merchant-customer and in employer-employee relations, and these policies have won for the Company the confidence of the public and the loyalty of associates, both so vital to success.

NEW MILAM WILL OPEN AT 7 P. M. WEDNESDAY

(From the Daily)

The new Milam Theatre will be formally opened to the public at 7 p. m. to-day, Wednesday, December 1.

The opening screen bill features Dick Powell, Elizabeth Scott and Jane Wyatt in "Pitfall" one of the better pictures of the year and Stanley Swift said he was most fortunate to get this picture for the opening.

All three stars are big box office artists and the plot is as follows:

A conservative insurance investigator, happily married and the father of a little boy, falls for a young model. Things become so complicated that the insurance man is forced to kill the girl's ex-boy friend in self-defense, and the girl shoots a trouble-making private detective. She is sent (turn to page eight)

NEW DEPARTMENT STORE FOR CAMERON

Grand opening tomorrow of the J. C. Penney department store will disclose more than 3,500 feet of additional selling space as well as new fixtures and display equipment of the latest design, Roger Maddox, manager, announced today.

"By taking over adjoining premises, we have more than doubled the size of our store," Mr. Maddox said. "Customers will find the additional space simplifying shopping during the busy Christmas season—and the rest of the year, too. They'll also enjoy the pleasant atmosphere made possible by the use of new fixtures and modern equipment."

Archways have been cut through the walls to connect the two stores. The store front has been extended to cover the new addition and will include new show windows.

Illumination throughout the interior will be provided by modern fluorescent ceiling lights, while a new pneumatic tube system will speed up the handling of change and receipts to customers.

"Fortunately, all work has been completed in time for us to meet customers' Christmas shopping needs," Mr. Maddox declared. "All departments, enlarged as a result of additional space, are featuring attractive merchandise for the entire family."

The first floor will feature men's furnishings and clothing, work clothes, infants' wear, ready-to-wear, lingerie, hosiery, curtains and drapes and shoes.

The balcony will have a Jim Penney shop, older boys' clothing and furnishings.

Mr. Maddox joined the Company in 1934 as a salesman at Uvalde, Texas. Before being appointed manager of the store here last January, he gained experience in Penney stores in Paris, Oak Cliff and Dallas.

The development of the J. C. Penney Company, of which the Cameron store is a part, is one of the great sagas of American business. Its central figures, James C. Penney, gives it a true Horatio Alger flavor.

The first Penney store opened in 1902 in the frontier town in Kemmerer, Wyo. The town had a population of 1,000—and Mr. Penney, \$500 and an idea. He expressed his (turn to page eight)

1948 CROP MAY REACH TOTAL 21,000 BALES

Milam county ginned 20,687 bales of cotton up to November 1 it was disclosed to the Daily Herald Friday morning by Cecil Criswell, of Buckholts.

Mr. Criswell, prominent cotton factor was advised periodically on the crop status through the agents of the Department of Commerce, Bureau of Statistics. The report received by him was dated November 23 but covered ginnings up to November 1.

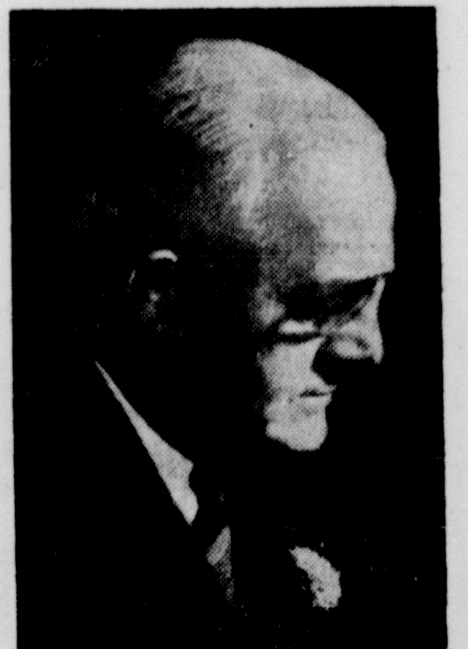

Mr. Criswell said that the county ginned 20,853 up to November 1, 1947. He estimates that the county will produce around 21,000 bales, a higher estimate that was made in a published news story in The Herald last week. Mr. Criswell pointed out that only 325 bales would be necessary to bring the total to 21,000 and that about 25 bales had been ginned at Buckholts during November.

This correct information on the 1948 crop will be appreciated by everyone over the county. Prior to 1948 newspapers were given these ginning figures at regular intervals but they have not been available for some time. This newspaper is grateful to Mr. Criswell for this information.

A. W. HUGHES

A. W. Hughes, President of the J. C. Penney Company, was born in Skaneateles, N. Y. He joined the Company in 1920 as a salesman in the Penney store at Moberly, Mo., later serving as manager of Penney stores in Eureka, Utah, and Athens, Georgia. Starting behind the counter of a Penny store is typical of the careers of most of the officers of the firm. Mr. Hughes succeeded E. C. Sams—himself once a salesman behind a Penney counter—as President of the Company in April, 1946, when Mr. Sams became Chairman of the Board.

E. C. SAMS

E. C. Sams, Chairman of the Board of Directors of the J. C. Penney Company, was born in Simpson, Kansas. After several years in the retail business, he joined Mr. Penney as a clerk in the Kemmerer, Wyoming, store. After serving nearly 30 years as President of the Company, Mr. Sams succeeded Mr. Penney as Chairman of the Board in April 1946, when Mr. Penney became Honorary Chairman of the Board.

POLIO FUNDS NEEDED FOR HOSPITAL CASES

There is a critical need to supplement the Infantile Paralysis Fund in Milam county it was disclosed early Monday by John R. Hays, chairman.

Mr. Hays disclosed that there are two patients in the Waco hospital, one in an iron lung, and that funds are exhausted. During this year he said that from \$900 to \$1000 have been paid out of the March of Dimes campaign and now no funds are available.

All the source of revenue the fund has had has been the dimes campaign. Milam county had an unusual number of cases of polio this year and funds are exhausted.

One of the patients now in Waco has constant nursing care and the cost for nursing is \$30 per day. Cost for the Iron Lung is extra.

An appeal is being made to the generosity of the people here to leave donations at First National Bank.

Mr. Hays said that if funds are not (turn to page eight)

WEIGHT ADVANTAGE TO NEW BRAUNFELS SLIGHT

(From the Daily)

When the Yoemen move up to their next rung on the championship ladder Friday night against the Unicorns from New Braunfels they will be the lighter team for the first time in 1948.

Weight does count in football but not all good football players would make heavyweight champions. Cameron is outweighed in this game and for the information of the Cameron fans The Daily Herald is giving an analysis of the team.

The starting team for New Braunfels has a total weight of 1859 pounds while the starting team for Cameron

weighs 1755 pounds. The Unicorns outweigh the Yoemen 104 pounds. This means that man for man New Braunfels has a weight advantage of 9 and a half pounds.

The New Braunfels squad has been exaggerated as to numbers. They have 29 men listed on the varsity while Cameron has 32 men if all remained through the season.

Cameron lost 25 pounds in team weight because Bob Wilkinson is not a starter. He weighs 185 pounds Wendall Mitchell who starts at right end weighs 160 pounds.

At the end positions the Unicorns have Froeloch at 154 pounds and Reininger at 167 pounds while the Yoemen have Mitchell at 160 pounds and Olin Armstrong at 140 pounds, a weight advantage in favor of New (turn to page eight)

BI-DISTRICT TITLE IS WON BY THE YOEMEN

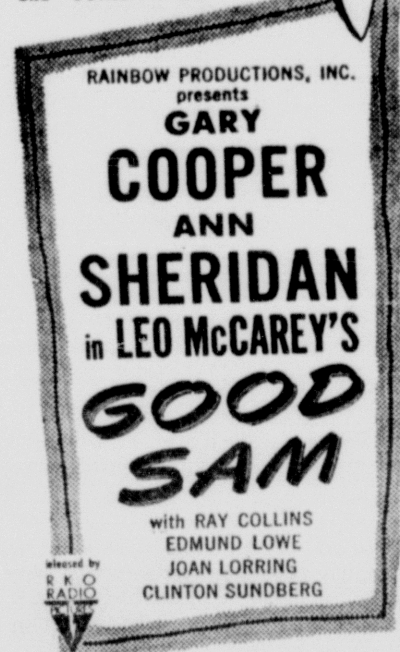

For the third time in succession Coach Leo Jackson has piloted the Yoemen to the Bi-District Title and it all happened in a matter of 60 minutes of as thrilling football game as Central Texas has seen in many a day here Friday night as Cameron defeated San Saba 27 to 13.

In early dominance of the play the Yoemen struck first with a score and again within a few minutes had made it 14 to 0 but those Armadillos were a game outfit and they made a ball game out of it behind the sensational play of Bill McDoniel, Armadillo fullback who carried the ball 17 times for more than 4 yards per try, grinding out 75 yards and in doing so ripped the Cameron line to shreds.

SUCH FUN!

... And it's all with Ann and Gary in Leo McCarey's ever lovin' new comedy! Remember he brought you "THE BELLS OF ST. MARY'S" and "GOING MY WAY"!

Graydon Caviness, passing ace for the Armadillos, was very effective and Billy Moore on the receiving end turned up with one of the two scores for the Armadillos. The San Saba scores were made on Passes, one to Billy Edwards in the third quarter and one to Mobre in the fourth.

Howard Beale, 195 pound fullback on the Yoemen team, came through for 3 touchdowns. Little John Moseley scored one and Bob Wilkinson got three extra points out of 4 tries.

Robert Zolt, one of the best linemen in Yoemen history, played what many think was his best game against San Saba. He was a tower of strength and got many tackles that saved the Yoemen. Along with him was Grady Allen, the pound for pound champion guard of the universe. Both are all district.

Alton Fuchs was a master at quarterback and showed the 5000 happy fans that he can run as well as pass. Fuchs turned in one of the most brilliant runs of the night, a beautiful broken field jaunt that carried for 35 yards.

Coach Charles Chrane of San Saba won the applause of the Cameron fans for his magnificent team and the way they played the champion Yoemen.

Howard Beale who stands out as an all district full back, is leading the district in scoring. He piled up 116 yards last night while carrying the ball 23 times, once 35 yards for a touchdown.

Cameron faltered noticeably in the final quarter and the Armadillos took advantage of it. The game ended with the Yoemen on their own 15 yard line the ball in their possession.

Woody Montgomery, Temple Telegram sports writer, chronicled the play by play as follows:

The Cameron Yoemen won the toss and chose to receive defending the west goal. Cameron took the opening kickoff and chalked up two first downs before San Saba took over on downs.

The Armadillos took over on their own 22, but couldn't go. Graydon Caviness punted to the Cameron eight. John Moseley fumbled the ball, but managed to get back to the Yoemen's own 39. From there to the San Saba 15-yard line a series of line plays were used with Moseley and Howard Beale and Alton Fuchs carrying the ball. Fuchs fumbled the ball on a line plunge, the ball rolling to the one yard line where Moseley latched on to it. On the next play, Moseley went over tackle for a touchdown.

Bobby Wilkinson subbed in to kick the extra point.

The Armadillos received the kickoff and powered through two first downs. Then Bill McDoniel punted short, and Cameron took over on its own 24.

Line plays moved the ball to the 45-yard line. Alton Fuchs then faded back to the 35, but couldn't find a receiver, so he broke loose and ploughed to the Armadillo 20-yard stripe.

Moseley circled right end carrying to the three. Choo Choo Beale hit the middle for the tally.

Again Wilkinson came into the game and split the uprights for the extra point. On an exchange of kicks, Melroy Eixman booted 50 yards for Cameron putting the ball on San Saba's own 18. Two pass plays from Caviness to Eddy Edwards scored for the Armadillos. The first pass was good for 25 yards, and the second for 35. The try for extra point was no good.

Cameron was on the move when the first half ended.

Alton Fuchs passed from his own 40-yard line to Olin Armstrong. Armstrong fell but the ball bounced off a San Saba player's head, and Armstrong caught the ball on San Saba's 40-yard line. Fuchs passed to I. Absnaider on the eight as the half ended.

San Saba took the kickoff at the opening of the second half but was forced to punt to Moseley who carried back to the 22 yard line. A pass from Fuchs to Armstrong made a first down. Then Beale hit the center of the line for another.

And then Mr. Beale went through the middle 37 yards to score. Wilkinson missed the extra point.

McDoniel returned the kickoff to San Saba's 28 yard line. A pass from Caviness was intercepted by Fuchs who returned it to San Saba's 32. Beale took a handoff to move the ball to the 20 yard line. Moseley got nine yards through center, a play lost ground but Moseley carried to the six yard line and again it was "The Train" Beale carrying over. Wilkinson kicked the extra point.

The Armadillos took the kick and moved to their own 49 yard line as the third quarter ended. McDoniel kicked out of bounds on Cameron's 16 yard line. Eixman kicked from there to San Saba's 45.

Three line plays got a first for the Armadillos on the Yoemen's 25. Dick Felts hit the middle for another first down. A pass and lateral from Caviness to Owens to McDoniel, carried to Cameron's 13 yard line. A pass from Caviness to Billy Moore

crossed the double stripe and McDoniel hit the middle for the extra point.

Moseley returned the kickoff 20 yards to Cameron's 34 yard line. A Cameron pass was intercepted by Caviness on the Armadillo 45.

After San Saba kicked, a third down hand-off failed as Beale fumbled and Cyrus Reynolds recovered for the Armadillos on Cameron's 30 yard line, but was forced to kick.

Cameron had the ball on their own 15 yard line as the game ended.

LOUIS JAMES LOGAN DIED IN HOUSTON

Louis James (Jimmy) Logan, Jr., 17 son of Mr. and Mrs. Jack Logan of Houston and well known in Cameron died at Herman Hospital Saturday, from injuries received when the car in which he was riding crashed into a concrete bridge.

Services were held in the Settegast-Kopf Funeral Home, at 3:00 p. m. Sunday, Rev. Kyle Yates officiating, with burial in Forrest Park cemetery.

Survivors are his parents, one sister, Elizabeth Ann; two brothers, Robert Allen and John Charles; grandparents, Mrs. Nora Allen, Houston and Mr. J. B. Logan of Cameron; two aunts, Mrs. E. L. Kahler and Mrs. V. A. Kubecka both of Cameron.

Jack Lewis of Austin attended the Cameron-San Saba game in Cameron Friday night and visited his mother and other relatives while here.

BI-DISTRICT CHAMPS TO QUARTER FINALS

If you have been following the football chart (and who hasn't) you will know that the Yoemen are to play New Braunfels Friday night, December 2 in a regional game.

Under the state championship race the game with New Braunfels is a comparative tilt to the regional played under the old set up where no state championship is involved. This year for the first time in history of the state schools in Cameron's Class are contesting for a state championship.

The game Friday night falls into the classification of quarter finals completion. Friday night 32 Texas Class A schools were in Bi-District competition. Cameron was among the 16 to survive and New Braunfels defeated Navasota 27 to 7 becoming one of the 16 to enter the quarter

JOE D. BASS

You Can't Monkey with Texans!

Joe Stalin can tell the Russians what to think. But if anybody tried that in Texas they'd ship the body back home.

These Texans get their facts from their newspapers. They do their own deciding. And, they'll pull a shootin' iron to protect the other fellow's right to disagree.

Your local newspaper is covering the news in your community better than any other paper in the world. Support your home town publication.

As your second newspaper, The Dallas Morning News covers the world, nation and your state. You need it, too. Background, comment and interpretations on editorial and feature pages. John Knott's cartoons. A jam-up sports section and a daily page of comics and fun.

On Sundays there's a whole section of America's finest comics and the big THIS WEEK color magazine.

A post card will start your subscription at once. By mail or carrier where carrier service is maintained. \$1.45 a month.

The Dallas Morning News

finals.

After Friday night, December 2 eight teams will be left and on Friday December 9 four teams will be left in the competition and on Friday, December 16 the four teams will play for crack at the state championship. That final game would presumably be played on some date during the week of December 20.

As it looked from here the Yoemen and their loyal fans hope to be playing football until around Christmas. The Competition from here on will be

very tough. Whether the Yoemen can survive of course remains a matter of hard fighting. They have a good start and polished off San Saba Friday night in convincing fashion 27 to 13 to become Bi-District Champions for the third successive year.

The site of the game between Cameron and New Braunfels will be decided over the week end, if the usual procedure governs.

L. F. Gohmert attended the Texas A&M game in Austin Thursday.

POULTRY TRICKS

Special Eggs Hold Letters

NEW BRUNSWICK, N. J.—If you have trouble paying bills, you might send the boss an egg with a message inside asking for a raise.

Boil the egg, so he won't have a messy time reading the message. The novelty might win him over, even if the stunt only proves how smart chickens and poultrymen are these days.

The message inside an egg requires a simple operation on a hen. The message is put inside a capsule, which is placed in the chicken's oviduct. The chicken obligingly builds a perfect egg around the message. The process is timed so that poultrymen know when the egg will be laid.

If the boss turns you down, you can get revenge. Steal his breakfast appetite by presenting him eggs that have green, black or bright red yolks. Poultry experts can arrange this by feeding dyes to hens.

Science Learns Tricks.
These tricks science has picked up during years of work. Some of the experts know eggs so well that just by opening one and looking at it, they can tell you what part of the country the chicken lived in.

Chickens are being bred that produce more nutritious eggs than 20 years ago. A hen's egg production has been increased by more than 50 per cent. Scientists are producing breeds of chicken that give more meat.

Some advances were outlined by men attending an egg grading and marketing school at the New Jersey agricultural experiment station. Diets have been worked out to put more vitamins and minerals in scrambled, boiled, poached or fried eggs.

Diet controls the color of the yolk. It will be almost white without a pigment in green feeds and yellow corn. It can be made dark orange with plenty of such food. Calcium makes strong eggshells.

Public Is Prejudiced.
One thing experts have trouble overcoming is public prejudice. In Boston, many people prefer brown eggs and pay more for them. In New York, money can be saved by buying brown eggs.

Nutritionally, there is no difference between them. The preference started years ago when it was hard to ship eggs without losing quality. In New England, brown eggs meant home laid ones and white eggs were shipped in. The opposite was true in New York, where people became accustomed to expecting better quality in white eggs.

Grade A eggs can be used for anything. Grade C, when poached or sometimes when fried, go to pieces.

One inventor is putting out square eggs. He breaks them into individual, square plastic cells. It saves space in packing and shipping.

Millionaire Rag Picker Cries 'Help' Once Too Often

PARIS, FRANCE.—Neighbors said that Mme. Henri Humbertis, the "millionaire rag picker of Paris," had "cried wolf once too often."

Mme. Humbertis, 70, lived in a dilapidated house for 50 years, hoarding the money she earned digging through rubbish cans.

When the shadows in the creaking old house disturbed her, she would hobble through her garden, screaming for help.

"It's all right, Mme. Humbertis—go back to bed," neighbors would call.

One night she screamed again. She got the usual answers.

When dawn came, neighbors noticed a crude ladder resting against the second story window of madame's house.

Madame's body was slumped between the bed and the wardrobe, her hands had been tied together and her skull had been crushed.

Police believe she was tortured in an effort to learn the hiding place of the fortune she was rumored to have hidden in the house.

Housing for Snake Proves To Be an Exciting Problem

PHILADELPHIA.—"I'm seeing snakes," a man shouted to police over the telephone.

"It's at least 15 feet long and coiled on the window ledge," he persisted.

Patrolman Sigmund Weinberg went to see. Sure enough, there was the snake. But when it dropped to the sidewalk, Weinberg could measure only six feet.

"Now what are you going to do?" asked the pedestrian.

"Find the owner," said Weinberg.

At the first door, Weinberg tipped his hat and said, "I got a snake here . . ."

Mrs. Israel fainted.

Weinberg went next door. Shrieks greeted his announcement there.

Then a man walked up and asked: "What's going on?"

Weinberg carefully put the box on the sidewalk, lifted the lid and pointed: "It's a snake."

"Oh, is that all. That's just an ordinary harmless blue racer. I'll be glad to take it off your hands," the man said.

"It's yours," said Weinberg.

Raymond Massey (l. to r.) Cliff Carpenter, and Will Geer are playing the parts of Webster, Jabez Stone and Mr. Crotch respectively, in "The Devil and Daniel Webster," one of the plays presented by the Protestant Episcopal Church in its series, GREAT SCENES FROM GREAT PLAYS. Each week scenes from important plays are presented, with stars of real magnitude in leading parts. Stage, screen and radio contribute outstanding personalities, with the Episcopal Actors' Guild cooperating.

Death Rides

They did not mean to break the law
But they were young and gay,
The road, gas, summer breeze—
With joy were theirs that day.

They needs must hurry on their way
They could not be delayed.
They laughed and sang along that
road
Into Fate's hands, they played!

For Death was present in that car
His cold hands gripped the wheel
He laughed aloud with fiendish glee
They did not hear nor feel.

They passed the red light, made the
turn—
And then they saw their fate
But Death laughed loud and louder
still
Because they looked too late!

—Lelia McAnnally Batte

FUNERAL FOR FORMER
RESIDENT THURSDAY

Clifton H. Barmore, 42, a native of Cameron, died at 10:30 p. m. Wednesday, November 23 at his home in Bryan from a heart attack.

Mr. Barmore was born in Cameron on October 8, 1906 the son of Mr. and Mrs. J. L. Barmore and spent his early childhood here, graduating from Yoe High School. He was a war veteran having served in the United States Army as a Commissioned officer.

He had been a salesman for the Liggett & Meyers Tobacco Company for a long period of time and was so engaged at the time of his death. He began his services with that company before the late war and took up his duties again after the close of the conflict.

Mrs. Barmore is the former Miss Catherine Moehler also of Cameron. Surviving are his widow and parents Mr. and Mrs. J. L. Barmore of Cameron and one brother, Gaston, Barmore of Houston. Cecil Barmore, another brother died several years ago.

Funeral services will be held from First Presbyterian Church in Cameron at 2 p. m. Thursday, November 25 by Dr. W. R. Hall, minister of the church with interment in Oak Hill Cemetery and the Marek-Burns Funeral home in Cameron directing arrangements.

The body will remain at the Marek-Burns Funeral Home until the hour for the funeral Thursday afternoon.

H. F. Paschall Named
By Governor on Food
Committee For Children

H. F. Paschall of Milam County, representative (elect) from the 64th District, has been asked by Governor Beauford H. Jester to serve with other legislators on a statewide committee sponsoring the "Silent Guest Plan" to send food to children in the famine areas of Europe this winter.

This plan will be inaugurated on Thanksgiving Day, as it was last year. It will call for each American family to invite a "Silent Guest"—a hungry youngster who needs our help—to share the plentiful food on American tables during the month from Thanksgiving to Christmas, or at some period during that month.

The amount for sharing meals with this "Silent Guest" should then be mailed by check or money order (not in cash) to the Governor's Office in Austin.

It will be forwarded to Committee headquarters and in turn to the appropriate organizations for distribution.

Seventy-five per cent of the funds received will be turned over to the United Nations Appeal for Children to help one out of every three hungry children of the world. The United Nations International Children's Emergency Fund hopes to help 230,000,000 children with its portion of the donations.

The remaining twenty-five per cent will be held in this country to be given to undernourished children in America by established organizations that apply for grants.

The white race is called the Caucasian race because the natives of the Caucasus region were once considered the most perfect and typical representatives of the white race.

Women who really know how to raise children are too busy to tell.

Buick Has New Lines for '49

BUICK'S completely re-styled 1949 Super and Roadmaster models feature lower, wider and roomier bodies that provide greater visibility through use of 22.8 per cent more glass. Highlighting the new post-war Buick styling are flowing, full-length fenders with functional chrome-embossed "venti-ports" for cooling the engine compartment, full-vision curved windshield and

rear window, one-piece, wrap-around bumpers and spacious luggage compartment. Over-all length of Super and Roadmaster models is reduced three inches to facilitate parking and storage. Buick's Super and Roadmaster models present more than 100 mechanical improvements, including replaceable connecting rod bearings, self-adjusting hydraulic valve lifters, a new larger

heater, and new door checks and hold-opens that provide easier opening and more positive hold-open of doors. Dynaflo Drive, Buick's unique "no-shift, clutchless" transmission, is standard equipment on Roadmaster models and optional on Super series cars. Public display of the new Buick models begins in dealer showrooms Nov. 26. The Super sedan is shown above.

NEW THEATRE MODERN
SHOW HOUSE FOR CITY

Good news for theatre patrons in this area was received early Tuesday with the announcement by Stanley Swift that the Milam Theatre will formally open Wednesday night. The new show house, built from the ruins of the old Milam destroyed by fire is a very modern theatre in every respect and has long been a favorite with the people here.

The Milam Theatre, once called the New Hefley Theatre, was the first Theatre to show talking pictures. When Mr. Swift purchased the

theatre and the Wonderland he renamed them. The Milam and the Cameron, both names being historically important here since the city was named for Capt. Edwin Cameron, hero of the Meir expedition into Mexico and Milam County named for Ben Milam, hero of the Texas Revolution.

The new Theatre will open with the picture "Pitfalls" starring William Powell and Elizabeth Scott.

Dean White, manager of the Theatres said that the picture had already been received and that plans were complete for the opening.

Mr. Swift has been pushing the finish on the theatre, one of the most modern show houses in central Texas.

Mr. and Mrs. Hugh Smith and children spent Sunday visiting their son Hollis, who is in the air force and stationed at Lockland Field in San Antonio.

Mrs. Alvin Allday and son, William Alvin of Rockdale visited in Cameron Friday.

Miss Alyce Kosel spent the Thanksgiving holidays visiting in Cuero.

Mrs. Ida Johns New
Draft Board Clerk

Mrs. Ida Johns is the new chief clerk at the Draft Board.

Mrs. Frances Issacs who resigned the place of chief clerk will leave the board on Saturday and go to Port Isabel to join her husband.

Mrs. Johns has been employed as clerk in the office of J. W. Hairston, County Treasurer.

The Hairston's Are Hosts To Friends

Mr. and Mrs. A. B. Hairston were hostess to a group of friends at their home Friday night after the game. They served cake and coffee to the following guests: Mr. and Mrs. J. W. Beale, Howard Beale, J. W. Beale, Leon Beale, Mr. and Mrs. W. W. Wade and son, Mr. and Mrs. Cecil E. Allen and daughters, Mr. and Mrs. Walter Juneak and daughters, Mr. and Mrs. H. W. Wade, Billie Beale and Agnes Burk.

Miss Addie Malone And Wendell Cryer Married Saturday

Miss Addie Malone, daughter of Mr. and Mrs. Eric Malone of Cameron, became the bride of Wendell Cryer, son of Mr. and Mrs. J. A. Cryer of Cameron, Saturday at 8:00 p. m., in the home of Judge Dan Tyson, who performed the ceremony. The bride was dressed in a Cocoa brown street length dress with dark brown accessories and wore a carnation corsage. The couple was attended by Miss Crouch and James Tucker. Miss Crouch wore a gray suit with black accessories. Mrs. Cryer is a graduate of Cameron high school. Mr. Cryer is a veteran of World War II and served four years in the China-Burma-India theatre. After a short wedding trip, the couple will live in Cameron.

American Newspaper Celebrates Second Anniversary in Siam

BANGKOK, SIAM. — The only American newspaper between Rome and Manila celebrated its second birthday anniversary in Siam.

The paper is the Bangkok Post and it's the handiwork of Alexander MacDonald, New Englander who has been poking around the corners of the world for 15 of his 40 years.

The Yankee editor came to Bangkok as a cloak-and-dagger agent of the wartime Office of Strategic Services. He fell in love with the country. Now he is the best-known and most influential foreigner since Anna Leonowens, the English school teacher immortalized by "Anna and the King of Siam."

"Editing a paper back home was never like this," MacDonald says.

Yellow-robed Buddhist priests had to bless the presses and editorial offices before the Post was recognized as a full-fledged newspaper.

Every word in the eight-page daily is set by hand by printers who don't know English. Type-setting machines are unknown.

There's a constant fight to maintain the American tradition of telling both sides of the story impartially. Governments change fast in turbulent Siam, but MacDonald finally has made his point against censorship. When ordered to strike something out of the paper, he just leaves the space blank. The Post has come out with no leading headline and the main column just white newsprint. Now he isn't bothered

400 Bottles of Milk Survive Train Collision

FORT WORTH, TEX.—Bernard Berliner, 32, rode a miracle on wheels.

He had snacks and drinks for sale in a panel truck and was nearing a railroad crossing. He watched a northbound train approach and drove on. But he didn't see the southbound train on the other track.

Berliner jumped and escaped injury. The truck was knocked down an embankment into a fence and damaged to the extent of \$150. Not one of the 400 bottles of milk inside was broken.

Manuscript of Old Bible Discovered in Palestine

NEW HAVEN, CONN.—The discovery in Palestine of the earliest known manuscript of the Old Testament book of Isaiah was announced by Yale university.

Preserved for centuries in a monastery in the Holy Land, the manuscript recently was identified by scholars at the American School of Oriental Research at Jerusalem, the university said.

Prof. Millar Burrows of Yale is director of the school, one of two maintained in the Near East by leading American universities.

The manuscript was found in a well-preserved scroll of parchment dating back to about the first century B. C. The university said the earliest among other known complete texts of Isaiah were transcribed in about the ninth century A. D.

The manuscript came from the library of the Syrian Orthodox monastery of St. Mark in Jerusalem.

Runaway Auto Describes Circles, Kills Driver

ATLANTA, GA.—An Atlanta matron was killed when run over by her own automobile in which she had been the sole occupant.

Police reported Mrs. Loyce J. Threlkeld was driven to her parked car by a taxi. She left the taxi and entered her car, calling to the driver to help her open a glove compartment.

The taxi driver, Mark Corley, said he opened a door to the car to comply and as he did Mrs. Threlkeld apparently stepped on both the starter and accelerator.

Corley and other witnesses said the car spun into the street in a circle and on the third go-around hurled Mrs. Threlkeld to the pavement. On the fourth trip, police quoted Corley, the car ran over Mrs. Threlkeld.

The car finally came to a halt against a curb.

California Gives Salmon A Lift Over Dry Stretch

SAN FRANCISCO.—California is doing things for fish. Five tank trucks are being assigned to ferry salmon overland during the spawning season along a 30-mile stretch of the San Joaquin river, which has developed salmon-proof sandbars in a drought.

Steelhead trout in the Monterey area have acquired new spawning grounds up the Big Sur river because game wardens blasted out a big rock which has blocked spawning runs since before palefaces settled in these parts. Rainbow trout minnows now are brought from the icy waters of the Mount Shasta uplands and raised to six-inch size in the warm water of a valley hatchery. This shortens the growing time and make it possible to plant them earlier in game waters where they will grow up to be big salmon in the right get hooked.

SAN SABA IS DUE TO GIVE US HARD FIGHT

(From the Daily)

The Yoemen were face to face with a real test to-night when they meet San Saba here for the bi-district title.

The Yoemen are not taking anything for granted. They know they have a hard game ahead in which they will have to give everything they have to win. In this attitude the fans have nothing to fear, win or lose for the local boys are going to give their best.

Looking at the season record of the two teams there appears to be only a slight difference. The Yoemen will be playing on their home grounds and will have the advantage of weight but not too much.

Elsewhere the season record of the two teams is printed for the information of the fans here.

Looking at the record it appears the Armadillos are a good defensive team. In ten games they held their opponents scoreless in 4 of them while giving up only 51 points. Cameron on the other hand in 10 games has held their opponents scoreless in only 2, those being Caldwell and Rockdale. It is conceded that the San Saba team has played a weaker schedule than Cameron although play in District 22-A has not been up to standard this year, so on comparative performance there is not a great deal of difference that can be cited between the teams. In that conclusion the game here to-night should be a bang up affair.

While the Yoemen have found a ready defense against passing they will be up against just that sort of club tonight. The Armadillos do some fine and fancy passing but so do the Yoemen.

It is an odd fact that Rosebud, a passing team, the best in the conference were unable to score on passes against Cameron. The Yoemen on the other hand scored a touchdown on a perfect pass play.

A ground team can nearly always beat a passing team if that ground team is good. Passing is sometimes the big pay off, though, and no matter what you say about how a game will come out you must take all factors into consideration. The breaks mean everything sometimes.

On the whole the advantage is with the Yoemen and they should win. Those who anticipate a one sided game should revise their estimates, if we look at the record. Local enthusiasm will always run away with judgment but those Yoemen are ready and they can and sometimes do everything. That would not surprise us to-night.

The game will be called at 8 o'clock. San Saba fans will come to Cameron in buses. The weather is going to be good, slightly cool but on the whole ideal.

DR. OLA MASSEY CASE REVERSED WEDNESDAY

The case against Dr. Ola Dee Massey, woman dentist of Waco, convicted here on a charge of kidnapping for the purpose of extortion, was reversed and remanded by the Court of Criminal Appeals in Austin Wednesday.

Emory B. Camp, attorney for Dr. Massey here, received a telegram shortly after noon Wednesday advising him that the case had been reversed.

Mr. Camp said he had not received the opinion of the court and did not know particulars about the reversal.

Dr. Massey was charged in connection with the detention of her aunt the late Mrs. R. H. Johnson in a Waco hospital.

Committee Named On Gilmer-Aikin School For Milam County

The Gilmer-Aikin report which proposes a complete revamping of the Texas public school system, will come before the next legislature.

Under the leadership of Chas. M. Hicks, county superintendent, a committee has been set up in Milam county to study the possible effects of the proposed legislation and to advise state authorities.

The school teachers in this county have approved the report. Here is the committee named recently:

Frank Mitchell, Buckholts; Roger Gilliland, Buckholts; J. D. Peeples, Milano; G. R. Varner, Jr., Gause; Norman Clement, Thorndale; Arnold Butts, Rockdale; E. A. Perrin, Cameron; Robert Glenn, Cameron; O. D. Graham, Thorndale; Dr. C. G. Swift, Cameron; A. C. Winkleman, Rockdale; Mrs. Ruby Arledge, Cameron; Mrs. Ida Belle Lewis, Buckholts; Miss Winnie Henderson, Cameron; H. H. Pruett, Milano; C. F. Bell, Buckholts; A. C. Akridge, Thorndale; Chas. M. Hicks, Cameron.

FARM BUREAU OFFICERS NAMED AT MEET HERE

Marvin Carter of Waco, state farm bureau organizer, and J. Walter Hammond, president of the Texas farm bureau federation, were guest speakers at a monthly meeting of the Milam county farm bureau chapter last week.

Mr. Carter stressed the importance of a farm bureau organization in the county, stating that membership in the organization assures equality for agriculture, gives security to farmers in organized agriculture, protects the business of farming, and assures unity among farmers and ranchers.

Mr. Hammond declared: "Today is a day of organization. Farmers and ranchers must be organized in each county and state."

He challenged farmers to be posted on agriculture developments, to know your problems as a farmer and be

able to present them to one another and to the congressmen.

"Agriculture must be safe-guarded through this adjustment era if we are to avoid again a repetition of the depression experienced in the early thirties," he concluded.

New officers elected for the Milam county farm bureau for a two-year period, 1948-50, are:

Ed Senkel, first vice-president, re-elected; Mrs. James Elrod, secretary-treasurer, re-elected. Other officers are S. W. McClaren, Jr., president, and E. B. Yeager, second vice-president.

The following directors were named: G. C. Colburn, Yarrellton; J. J. Janicek, Marekville; W. H. Khoring, Val Verde; H. H. Chamberlain, Walkers Creek; Henry Schattle, Elm Ridge; Bud Johnson, South Elm; J. B. Allen, Briary; W. M. Faulkner, Burlington; George Fisher, Hoyte; Frank Durnie, Curry; H. L. Yeager, Maysfield; Sidney Frazier, Bryant Station; Joe Moore, Gause; Frank Janicek, Clarkson; V. L. Angell, Splawn; Lindsey Caffey, Tracy.

Mrs. James Elrod reported present membership is 500. The drive is continuing, and a goal of 1,000 members by Jan. 1 has been set.

Membership is open to all farmers in Milam county and business men as well. Plans are to organize bureaus in each of the 26 communities in Milam county.

Ludria L. Roberts, Jr., son of Mrs. Hanna Roberts of Davilla, has been accepted for a three year enlistment in the Regular recently. He listed pay and educational opportunities as his reasons for signing with the Army.

Mr. and Mrs. M. M. Bradham and daughters, Linda Gale and Helen June of Brady and Porter Morgan of California spent Thanksgiving with Mr. and Mrs. J. E. Chandler of Cameron.

Phone

Frankster Has Fun

ROCKFORD, ILL.—A telephone prankster kept Rockford's police department busy when he placed orders with seven business firms for a harassed citizen.

The householder found an undertaker at his door waiting for a corpse. Two painters arrived to paint the house. Sixteen cases of soft drinks were left on his porch. A city water department employee arrived to check the water pressure.

A lumber company delivered a ton of coke. A landscaping firm arrived with a load of dirt and at 6:15 a. m., a sanitary district truck showed up with a load of fertilizer.

Lonely Dog Remains Faithful to Owner Who Abandoned Him

EVERY, NEBR.—Another of the countless tales of a dog's loyalty to his master is being told near this small Nebraska town south of Omaha.

In this case the dog's loyalty seems misplaced. He is faithful to an unfaithful master.

Every evening about 5 p. m. the yellow and white dog sits waiting at the edge of the highway, watching cars speed past. When a car slows down or stops, as some of the hundreds passing occasionally do, the dog perks up his ears and wags his tail in anticipation.

When the passer-by dismounts, the ears droop and the dog retreats into the corn field.

The story behind the dog's wait was told by a nearby resident, T. A. Neal.

Neal said that a car stopped where the dog now keeps his vigil. The car door opened and the dog bounded out. A man followed, placed some food on the ground, then hurried away.

Ever since the dog has waited for his owner's return. The deserted animal spends most of his time within 300 feet of the spot, leaving occasionally to hunt for food.

Neal and other neighbors toss out scraps for him, but none has been able to approach him. Neal would like to adopt the dog, but he can't get near.

The dog just keeps sitting by the side of the road, watching the cars roll by and waiting patiently.

Chemist Discounts Popular Theories About Food Uses

ALLENTOWN, PA.—These theories about food are "nonsense," says Prof. Albert P. Sy of the University of Buffalo chemistry department.

That only one food should be eaten at a meal; that only raw foods should be eaten; that onions are good medicine for the liver; that lettuce helps against insomnia; that garlic is good in cases of hardening of the arteries; that spinach is good for muscles.

Further nonsense, he adds, are the beliefs that there are such things as brain food, hair food, skin food and eye strengtheners, or that certain foods can determine the sex of unborn babies.

"Overweight," he told an American Chemical society meeting, "is almost always due to overeating, and good digestion and good metabolism. Sooner or later overeating must be stopped, and if it isn't done sooner there won't be any later. External applications are useless, totally. Exercise increases appetite and weight. Massage is a waste of effort. All drugs and remedies are dangerous."

Judge Fines Farmer \$50 for Not Sending Son to School

THREE RIVERS, MICH. — An Amish farmer, who served part of a 60-day jail term rather than send his son to high school, was freed after paying a \$50 fine.

But he may be arrested again with three other members of his sect unless they submit to an order to send their sons to school.

The farmer, Sam Bontrager, was arrested when he ignored a notice that his son, Reuben, 14, must attend high school.

"I've been a farmer and Reuben will be one, too," he said. "I never bothered about school and I don't think Reuben has to."

Given a choice of paying a \$50 fine or serving 60 days in jail, Bontrager at first chose to go to jail. After staying two days, however, he paid the fine and was released.

Justice J. L. Van Selous said that three other Amish farmers have received notices similar to the one sent Bontrager.

Germany to Handle All Radio Messages From Reich to U. S.

BERLIN.—Equipped for the first time with radioteletype, the German post office (Deutsche Post) now handles all radiotelegraphic messages between Germany and the United States, including those from and to the occupying forces.

Only Press Wireless, Inc., will remain here to handle American press, radio and radiophoto traffic.

The Deutsche Post will receive from and transmit to New York from its radio station in Frankfurt-on-Main. Two-way radioteletype service between those points recently was installed.

School Leaders Here Indorse Gilmer-Aikin Education Report

School leaders in Milam county met here November 16 and discussed the proposed revamping of the school system in Texas as proposed in the Gilmer-Aikin report.

The Gilmer-Aikin report is the result of a survey made by Mr. Gilmer and Mr. Aikin, members of the Legislature, who are seeking to improve the public school system.

The Milam county committee and teachers have indorsed the report as has the State Association.

The following attended the meeting in Cameron, called by County Superintendent Chas. M. Hicks.

Frank Mitchell, Roger Gilliland, E. A. Perrin, A. C. Winkleman, Mrs. Ida Belle Lewis, H. H. Pruett, C. F. Bell, A. C. Akridge and Chas. M. Hicks.

The following visitors attended: Mrs. Bertha Parker, Rockdale; Mrs. Ida Jo Marshall, Rockdale; Mrs. C.

M. Selman, Rockdale; Mrs. C. L. Canady, Cameron; Mrs. Herbert Nance, Cameron; Mr. R. L. Dedek, Milano; Mr. H. D. Maxwell, Rockdale; Mrs. Louis Rinn, Rockdale; Mrs. Ethel Hicks, Cameron; Mr. C. L. Canady, Cameron.

Mrs. Sophia Winfield and son Sam of Austin are spending a few days in the home of Mr. and Mrs. Adolph Winfield and sons.

Mrs. Lloyd Staley and son and Mrs. John Lewis visited in the home of Mrs. Ronald Dempsey in Houston Thursday.

Rockdale School District Votes School Tax Boost

ROCKDALE, Nov. 25—The school tax rate in the Rockdale consolidated school district was raised from 50 cents per \$100 to one dollar per \$100 in a special election held Tuesday.

There are six consolidated schools in the district besides numerous contract schools.

This is the first time in 25 years that the school board has asked for an increase in the tax.

Jack Mauldin of Buckholts visited in Cameron Saturday.

Here is a full size farm tractor at a reasonable price. It can be operated very economically and is capable of handling all jobs on many family size farms. Pulls 16-inch plow in average soils; cultivates and mows up to 4 m.p.h.; ideal for belt work and farm chores. A money-saver for odd jobs on large farms where only moderate power is needed. Stop in and get the full story on the Allis-Chalmers Model B tractor.

From where I sit... by Joe Marsh

Why Dutch is Growing a Beard

That beard on Dutch Miller's chin doesn't mean that he's getting ready to play Santa Claus. He's simply paying off the election bet he lost to Cappy Swanson.

And while some folks allow it's all a lot of nonsense—like the wheelbarrow ride that Cappy had to give Dutch after last election day—from where I sit, it's a mighty wholesome aftermath to a difference of opinion.

Because good Americans all take their politics and voting mighty seriously. But when the issue's

settled, and the die is cast, they accept the verdict in a spirit of good humor.

And that's as it should be when it comes to any difference of opinion. Some folks vote for beer as their favorite beverage—others vote for cider. In fact, we all have differences of taste in almost everything! But that doesn't mean that we can't live together in a spirit of good fellowship.

Joe Marsh

Yum-Yum Elephant Eats \$117

ARLINGTON, OHIO.—What does an elephant like better than peanuts?
A. A. Hall, a railroad telegrapher here, says \$117.45—and just a little hay on top, please.
Hall made his day's receipts into a little package and then threw the package into the baggage car of a New York Central passenger train. Only, Hall discovered too late, it wasn't a baggage car. It was a freight car full of circus elephants.
By the time Hall roused the animals' keeper and got into the car to rescue his money there was nothing left but a satisfied expression between two tusks.

Sardine Scarcity Plagues Pacific Coast Canneries

MONTEREY, CALIF.—The little sardine has become a big problem. The problem is faced not only by the 75 million dollar Pacific coast sardine industry with its 12,000 fishermen and additional thousands of cannery workers, but also by housewives, farmers and scientists.
Its effects reach even to the hungry and starving peoples of Europe and the Far East.
The problem is the absence of the sardine from his usual haunts along the Pacific coast.
Catches of sardines have fallen drastically in the past few years. From peak year totals of 700,000 tons, last year's catch fell to a mere 124,000 tons.
That means not only a vast reduction in the number of those familiar tins of sardines on grocers' shelves, but an even greater reduction in the amount of oil and meal available.
Oil from the sardine is used extensively in such everyday necessities as soap, cooking fats and oils, cosmetics, high-grade paints and varnishes, glycerine and vitamins.
Why the sardines are missing is a mystery.
The best explanation, as advanced by experts in the field, is that overfishing played the most important part in the depletion.
Experts couple that with two other factors:
1—Poor spawning conditions.
2—Possible changes in ocean currents taking the fish on new uncharted paths.

Texan Retires Faithful Model 'T' to Stable Life

EL PASO, TEX.—The Texan who recently retired his 29-year-old car, saying he wanted it to die in the stable like an old faithful horse, took delivery of its successor—a spanking, new jeep station wagon and vowed that it would "last 29 years, too."
"It has everything that old Model 'T' had, and took me over a half million miles. There's no reason the jeep shouldn't last that long. The question is, can I?"
He figures what finally licked his old bus was the difficulty of getting spare parts. It wasn't too comfortable anymore, either.
The jeep distributor in El Paso asked him if he wanted to trade it in.
"No, sir!" was the prompt reply. "That car isn't going to finish its days as some beaten up 'hot-rod.' It is going right into my garage where it can take it easy, just like an old horse that has given faithful service."

Science to Stare 65 Million Miles at Mars for Life Signs

CHICAGO—University of Chicago scientists are getting ready to take a look at Mars with a newly developed electronic device to see if there's any life on the planet.
The device, called a spectral recorder, can analyze matter millions of miles out into space. It will be hooked up to McDonald observatory's 82-inch reflecting telescope at Fort Davis, Tex., when Mars comes within 65 million miles of earth—the closest until 1950.
The astronomers want to know if the green patches on Mars are identical to vegetation growing on earth and whether polar caps are composed of frozen moisture.
They said that if there was thriving plant life on Mars there was a possibility that animal life existed, although probably of a different evolutionary nature than that on earth.

Wolves Find Way to Escape From Circle of Red Hunters

MOSCOW.—The favorite method of hunting wolves in Russia is to make a ring of red flags around the place where the wolves are thought to be hiding. A small gap is left in the ring and here the hunters wait to open fire when the wolves make for the gap.
For hundreds of years this method of hunting has been successful for the wolves feared to run through the cordon of waving red flags. But now some educated wolves in the Moscow area have learned to run through the flag ring and thus avoid the hunters.
It is essential to kill the wolves, says a Moscow paper, because they prey on elks, of which there are nearly 3,000 in the Moscow province forest areas.

He Is Line Star

ROBERT ZOLTZ

He left no doubt about all district classification Friday night. Zoltz, 195 pound tackle, was the standout in line play and heavy contributor to the success of The Yoemen who won the Bi-District title over San Saba 27 to 13.

One Case Is Heard And Two Are Re-Set

Finley Jackson charged with conversion by bailee has drawn a 6 months jail sentence and a \$100 fine in district court. He borrowed a truck and trailer and sold the latter keeping the money.

The case against Claude Robinson charged with assault with intent to murder Charlie Landis in Rockdale was continued and set for December 20 due to absence of a witness, Hess Key.

The Whittaker case is set for November 26.

Mr. and Mrs. Frank Elder and daughter, Faye of Salina, Kansas are spending their two weeks vacation with her mother, Mrs. Grady Little and other relatives and friends in Cameron.

JONES PRAIRIE PIONEER TO BE BURIED THURSDAY

(From the Daily)

J. A. McKinney, 72, widely known native resident of Milam county, died at his home at Jones Prairie at 8:15 p. m. Tuesday, November 23.

Mr. McKinney had been in declining health for some time.

His death brought sorrow to the hearts of many in his home community as well as in Cameron and over the county where he was widely known as a leader for many years.

Mr. McKinney was born at Jones Prairie, home of the McKinney family for many years. His parents were early day pioneers, the late J. M. McKinney and Mrs. Sarah McIntire McKinney who settled in the then prairie country which became one of the better known sections of the county.

As an active leader in his church and community Mr. McKinney endeared himself to his fellow citizens because of his great qualities of neighborliness and moral leadership. He was a Baptist, deeply devoted to his faith and had been a member of the historic church at Little River for more than 50 years. The Little River Baptist church is one of the oldest Baptist congregations in Texas and for many years was the inspira-

tion for the Little River Baptist Association.

Mr. McKinney was born October 26, 1876 and had lived in the Jones Prairie Community all his life.

He was a member of the Milam County Democratic Executive Committee for many years and was always active in the councils of his party. Mr. McKinney devoted his life to farming interests.

Funeral services will be held from Little River Baptist Church at 10 a. m. Thursday, November 25 by Rev. D. H. Rose, pastor, with interment in Little River cemetery, the Marek-Burns Funeral Home in Cameron directing arrangements.

Surviving are his widow, Mrs. Nora McKinney, one brother, Dr. H. C. McKinney of Olney, Texas, four sisters, Mrs. E. A. Flinn of Cameron, Mrs. W. D. Boswell of Waco, Mrs. George Pool of Hale Center, Texas and Miss Ethel McKinney of Jones Prairie.

Pall bearers will be nephews of the deceased.

Staff Sgt. and Mrs. J. M. McArthur and son of San Angelo visited in the home of Mr. and Mrs. Henry W. Brown and other relatives in Cameron this week.

Mrs. Rush Hairston and sons spent Friday in the home of Mrs. M. M. Bright of Marlow.

Verdict's clear - it's the Buy of the Year

White sidewall tires, as illustrated, available at extra cost.

It's the Buick SUPER! With Dynaflo Drive!

With new room—a new outlook—and features-by-the-fistful that make it the season's top buy!

RIGHT away you know it's a Buick—and another style ten-strike.

And even from the outside you can sense something of its new roominess, something of the wonderfully wide view-of-the-world you get from full-curved windshield, narrow corner posts and stepped-up glass area.

But that just makes a start on the good news.

For the silken magic of sensationally successful Dynaflo Drive† is available at your option on all models of this '49 SUPER.

Every wheel rides on Buick's special soft coil springs. Every

†Standard equipment on ROADMASTER models, this sensational engineering success is optional at extra cost on all SUPERS.

OIL DOES IT ALL—with Dynaflo Drive! You just set a lever, step on the gas and steer. The power plant itself, not shifting gears, delivers the power you need—for starting, accelerating, climbing, cruising, every driving condition.

tire is an oversize cushion mounted on a wider-than-usual rim. And every Dynaflo model has an extra plus in self-adjusting valve lifters that keep valves seating themselves just right.

Indeed, each detail—wide swinging doors, gracefully

streamlined taillights, contoured rear bumper, Hi-Poised engine, fine rich finish—marks this as the year's standout car.

And the price tag? Matched against the field, it is almost a command to get your order in.

Check it and see. Your Buick dealer will be happy to oblige—and talk business whether or not you have a car to trade.

ROOM—WITH A VIEW! Seats are broad in the new Buick. And soft, so that there's extra room overhead. And windshields are a full 56 1/4 inches across, glass area in 4-door Sedans stepped up 22%!

BUICK alone has all these features

Silk-smooth DYNAFLO DRIVE* • FULL-VIEW VISION
SWING-EASY DOORS • "LIVING SPACE" INTERIORS with Deep-Cradle cushions
QUADRIFLEX COIL SPRING • DUREX BEARINGS, main and connecting rods
Cruiser-Line VENTIPORTS (Super and Roadmaster) • Low-pressure tires on SAFETY-RIDE RIMS
FIREBALL STRAIGHT-EIGHT POWER on HI-POISED ENGINE MOUNTINGS

TICKETS—

(continued from page one)

It is, of course, wrong to sell tickets in this manner. The school authorities will have no concern except the money, plus regrets. Had the sale been restricted to personal requirements many more would have had an opportunity.

There is no question about the disposition of tickets, once they reach an individual in a large block. They go to friends on pool buying.

Ordinary folks do not usually organize for the grab of tickets. On the other hand there are always a few alerts who select one man to lay down the money. They are not worried. They don't have to stand in line like the average.

It is patently a wrong policy to permit any individual to buy a large number of tickets beyond his personal requirements. When that is done the average fan has no chance. When the average fan has no chance he is apt to resent it.

It is unfair to local people to sell these tickets in large blocks to other communities outside the county.

If in disposing of such wanted things as tickets to a football game authorities would limit the number to be sold to an individual there should be no considerable complaint. As it was handled here on two occasions there can be no justification for the policy.

John Q. Public has another swelling knot on his head. What of it?

POLIO—

(continued from page one)

made available within a few days he plans to ask the National Foundation for a loan due to the desperate need. If made this loan will have to be repaid.

Gilbert Boehme of Cameron, stricken two weeks ago is critically ill from Polio and is in an iron lung at the Waco hospital. The nursing charge alone is \$30 per day. Another patient, less critically affected must have braces that will cost \$100 and there will be a hospital fee of \$100 and no funds to pay.

An urgent appeal is made to the people to give and to leave funds at First National Bank.

Mr. Boehme is improving and must continue to have the treatments.

So far Mr. Hays said all obligations have been paid out of the March of Dimes Fund but the demands have been too great this year.

L. W. Smith of Cameron will direct the March of Dimes campaign in the county and this drive will be conducted in January.

YOEMEN—

(continued from page one)

Braunfels of 21 pounds. At the tackle positions the weights are more even for Cameron has Robert Zott weighing 195 pounds and Melroy Eixman at 200 pounds. The Unicorns have Reinshagen at 179 pounds and Ford at 201 pounds, thus giving the Yoemen a weight advantage of 15 pounds.

At guard position it would take almost 3 of the Yoemen starters to equal the two guards of the Unicorn team. They have Cantu at 156 pounds and Pantermuehl at 208 pounds while Cameron has Grady Allen at 140 pounds and Louis Hollas at 150 pounds. A weight advantage in favor of New Braunfels of 64 pounds. Cameron gives away 19 pounds at center for across from Captain Gibson, weighing 160 pounds will be Wersterfer at 179 pounds.

Getting onto the backfield where the ball totting means success or failure to a degree we find that the Yoemen have a total weight advantage of 5 pounds but the Unicorns have a better balanced average of weight distributed among the four backs. The difference is made up by Howard Beale, fullback for the Yoemen who weighs 195 pounds.

In the backfield the Unicorns have Stobaugh at 146 pounds, Schmid at 150 pounds, Elbel at 163 pounds and Bindsel at 165.

In the Cameron backfield will be Alton Fuchs at quarterback, 140 pounds, Wesley Braden, halfback at 140 pounds, John Moseley, halfback at 135 pounds and Howard Beale at fullback, 195 pounds.

Based upon the reports about the Unicorn team it was easy to believe they were a much heavier team than Cameron. It is now pretty certain that the teams are fairly evenly matched in weight.

The Unicorn schedule this fall was about the same as Cameron but slightly heavier. They won from Sequin 7 to 6. They defeated Navasota 27 to 7. Caldwell defeated Navasota and Cameron defeated Caldwell 32 to 0 but don't let that fool you for football scores can be very deceptive.

Cameron appears to be the faster team and essentially a scoring outfit. But they have not scored as many points as New Braunfels and have given up more to opponents.

Sports writers have said that New Braunfels is the team most likely to succeed to the championship. The Yoemen don't share that view and

will have something to say about it Friday night.

Playing on home grounds may mean something, it usually does.

The Yoemen in the past 3 years have advanced 3 times to a regional contest, have won one and lost 2. The game here Friday night is an equivalent of a regional game.

PENNEY STORES—

(continued from page one)

idea in the name he gave his tiny enterprise: The Golden Rule Store. He wanted, he said, to give the public merchandise of higher than ordinary quality at lower-than-usual prices.

He had other ideas, too. He would give friendly, considerate service; he would advertise honestly and without exaggeration or misrepresentation; and he would cut costs by selling only for cash, making no deliveries and eliminating other unnecessary costs of operation.

For Mr. Penney, and the organization he founded, these were not merely phrases for wall decoration but the vital elements of a business philosophy. Guided by them, the Company earned an enviable reputation, grew and prospered. Last year, with a sales force of more than 70,000 in all Penney stores, total sales reached nearly \$800 million—a triumph of faith in the rewards of hard work and fair dealing.

"Associates", as they have been called, rather than employees, recognize that they have a direct interest in the success of the organization, benefiting in many ways. To them, the Golden Rule principle is today a living force animating all the Company's relations, both within and outside the organization.

It has been said that business men welcome Penney's to a community, even competitors. "Penney competition", they say, "is honest and straightforward". Penney people welcome this warm and friendly attitude, inviting the spirit of healthy competition so essential to a vigorous economy and for the ultimate benefit of the American consumer.

Today, the Penney Company, serving millions of customers, looks forward to bringing a higher standard of living to even more millions at the lowest possible prices consistent with quality merchandise. The Golden Rule principles, Penney people say, will remain unchanged.

Guests in the home of Mr. and Mrs. F. G. Blake were their children; Mr. and Mrs. Milton Blake and two children of Houston, Mr. and Mrs. Charlie Blake and two sons of Hearne and Mr. and Mrs. Gene Blake and two sons of Cameron. Other guests were Mr. and Mrs. David Collins and two children of Austin, Mrs. Bertha Kirtzmann, Mr. and Mrs. Bob Blake and two children of Corpus Christi and Mrs. B. L. Miller and daughter of Cameron. Mrs. Blake was assisted by her daughter-in-law in serving a delicious turkey and duck dinner with all the trimmings.

Marvin Petty of Buckholts was a Cameron visitor one day this week.

J. C. Penney Testing Laboratory

To insure customer satisfaction, the J. C. Penney Company maintains a well equipped laboratory in New York City, where merchandise is constantly tested for strength, color-fastness, warmth, wearing qualities, shrinkage, mothproofing, etc. The corner of the lab in the photograph, picture tests for moth-

proofing effectiveness, and a chemical analysis and microscopic examination being carried out. In the background, one laboratory technician operates a washing machine, while another checks the fade-ometer in tests of color-fastness. Wear tests are made in another section of the lab.

THE NEW MILAM—

(continued from page one)

to prison, but he escapes sentence, and returns to his family.

The New Milam is a very attractive theatre, strictly modern and built to give the maximum of accommodations for those who want good screen entertainment.

Mr. Swift has re-built the theatre following the fire that destroyed the old one and has spared neither money nor time to make it a very modern show house.

The program for this week lists some big time films, notably "Get Rich" starring Rod Cameron. The locale of this picture is the East Texas Oil Field around Tyler, another story of fabulous Texas. It is a Jack Wrather production.

The new theatre will open at 7 o'clock. The schedule calls for pictures 7 days a week, matinee and night.

PROSPECTIVE DRAFTEES
WILL GET A BREATHER

WASHINGTON, Nov. 30 — The Army slashed its 20,000-man January draft call in half today and warned that the proposed budget for next year isn't big enough to build the 900,000 man Army authorized by Congress.

The armed forces asked for \$23,000,000,000 for the fiscal year beginning July 1. President Truman set a \$15,000,000,000 ceiling on defense spending.

Of this total, \$600,000,000 must be spent on stock-piling strategic raw materials. The balance of \$14,400,000,000 will be split among the armed forces. The Army is expected to get around \$5,000,000,000.

It was learned today that the Army figures it will have to limit its strength to 677,000 officers and men if it stays within the five billion budget. This is 223,000 (24.8 per cent) less than the 900,000 authorized by Congress last Summer.

The Army has launched its draft program in November with a call

for 10,000 men. The December call was for 15,000 and the original January call was for 20,000. Later, it was planned to make the monthly calls around 30,000.

But the Army today cut the January call to 10,000 and the February call to 5,000.

Mr. and Mrs. E. W. Goldforb spent Thanksgiving in Waco visiting friends.

New Braunfels Fans Coming On Special Train For Game Here

A special train will be run from New Braunfels to Cameron for the football game Friday night it was said here Tuesday by W. DuBois, Santa Fe Agent.

Mr. DuBois said that he had been advised by the Missouri-Pacific agent at New Braunfels that a train had been engaged. The train will be diverted from the Missouri-Pacific tracks at Milano and come into Cameron over the Santa Fe.

A single corpuscle of blood does not appear red but a light straw color.

DELTON LUCAS BURIED IN ROCKDALE FRIDAY

Funeral services for Delton Lucas, 34, who died in a Temple hospital Thursday, were held in Rockdale Friday by Rev. Miller T. Smith, Methodist pastor. Burial was made in I. O. O. F. cemetery.

His survivors include his parents Mr. and Mrs. A. L. Lucas of Rockdale and two brothers, Doyle and Avon Lucas both of Houston.

Emil Frank Horelica of North Elm spent the past Sunday with his uncles Frank and Pete Horelica and grandmother, Mrs. Frances Horelica.

Three Injured in 2 Wrecks on Highways In Last Two Days

Three persons were injured in two car wrecks on highways near Cameron in the past two days it was reported Wednesday morning by Jack Higginbotham, highway patrolman here.

At 10:30 Monday Henry D. Pernitza driving an egg truck for Swift & Company out of Taylor was injured when the truck skidded from the highway and turned over. The accident occurred on Highway 36 near Chriesman in Burleson county. The truck was loaded with butter, dressed turkeys and 96 cases of eggs. Mr. Higginbotham said the front wheels of the truck locked, causing the wreck. Estimated loss was about \$1800.00.

Early Wednesday morning two were injured on Highway 79 near Milano in a collision. Edward Flumerfelt of Cromers, Ohio and Horace Spiller of Austin were taken to a Hearne Hospital. Their cars were in a head on collision.

O. E. S. Will Present Mrs. Hicks Thursday

Mrs. Ethel Hicks will review "While The Anegls Sing" by Gladys Hasty Carroll, Thursday, December 2, at 7:30 p. m., at First Methodist Church Fellowship Hall.

The program is sponsored by the Eastern Star for benevolent purposes, under the direction of Mrs. J. M. McLean, who is chairman of the Ways and Means Committee.

CARD OF THANKS

We wish to express our thanks and deep appreciation to all our friends and neighbors who were so kind and helpful during the illness and at the death of our dear husband and father, N. Y. Hayes. To those who gave flowers, sent messages or helped us in any way, we shall always be grateful.

Mrs. N. Y. Hayes and Children.

Guests in the home of Mr. and Mrs. H. C. Tindall for the Thanksgiving holidays were: Mr. and Mrs. Odous Tindall, Mr. and Mrs. Monroe Tindall, Mr. and Mrs. Cecil Tindall and children of San Antonio, Mrs. Louis Posey and son, Mrs. J. R. Harris and son, Jimmy of Waco and Darrell Tindall of Bryan. Frank Hrozek of Baylor was also a guest in the Tindall home for the Holidays.

Guests in the home of Mr. and Mrs. Emil Horelica the past Sunday were: Mr. and Mrs. Lonnie Geisler of Temple, Jim Horelica and Miss Hall.

EXTORTION RULED OUT IN DR. MASSEY CASE

The Court of Criminal Appeals in reversing the Massey case Wednesday ruled out extortion in connection with the charge on which the Waco woman was convicted here on a charge of kidnapping.

The Court had affirmed the case and on a motion for a re-hearing reversed its former decision and sent the case back to Milam county for re-trial.

County Attorney Bill Morrison said Friday that he would file a motion for a rehearing before the court.

The Court in reversing itself in the case was governed by a reconsideration based on a plea known as Amicus Curiae filed by W. R. Stokes, Jr., Houston attorney. This action springs from a court rule that permits outside counsel to ask interpretation on a point of law in order to establish certain facts not ordinarily contained in the transcript.

The case originated in Cameron and grew out of what the charge said was an abduction of the late Mrs. R. H. Johnson, alleged to have been forcibly detained in a Waco hospital. Dr. Ola Dee Massey, niece of Mrs. Johnson, returned to the Cameron home of Mrs. Johnson and took certain valuables. The indictment charged Dr. Massey with kidnapping for the purpose of extortion. Mrs. Johnson had been ill in St. Edwards hospital here and was under the impression she would be taken to her home. Instead she was taken to Waco under protest.

The Court held that the facts in the case did not bear out the charge of extortion.

Mr. Morrison tried the case under Statute 1177 A under which a conviction had been obtained in Tarrant county against Estelle Crum with a 5 year sentence being assessed. Until the ruling Wednesday that statute was considered to be the law and guided prosecution of Dr. Massey.

The Crum case was the only such case ever to go before the Court for a ruling. The court on Wednesday, on re-examination, found a new definition of the word extortion, it said, and so changed its ruling in the case, stating that the facts do not sustain the charge of kidnapping for the purpose of extortion.

In finding the offense did not come within the meaning of extortion the Court reversed and remanded the case for retrial here.

County Attorney Morrison has a unique record. This is the first reversal in 10 years, although the case was tried under the then existing law. This record is unique among Texas prosecutors.

Mr. and Mrs. Harry Sommers and daughter, Bertha Louise have returned home after a visit in the home of Mr. and Mrs. N. W. Sommers and sons in Simonton a few days last week. They shopped in Rosenberg Friday afternoon and spent Saturday night and Sunday in Houston visiting Mr. and Mrs. E. L. Randell and Mr. and Mrs. D. F. Jones and family.

Mrs. George Graves is spending the Thanksgiving holidays visiting her brother and son in San Antonio and their families.

CAMERON TO BE HOST TO CHILDREN DEC. 2

Cameron will be host to thousands of children and visitors Tuesday at the annual Christmas Party for Santa Claus conscious kiddies.

The big tree was set up on the Court House Lawn. Lights were due to be installed early this week in preparation for the big party Thursday afternoon. The Yule program is an annual event here and attracts many.

The Yoe High School Band will lead the parade in the down town area and Santa Claus will be given a royal welcome, perhaps moving down the parade lines on a big Cameron Fire Truck with Frank Richter as his escort.

There will be gifts for all the children. Narvie Caperton is Chairman of the Chamber of Commerce Committee arranging the Yule program.

Mr. and Mrs. F. J. Posival of Liberty had the following guests in their home for Thanksgiving holidays, Mr. and Mrs. Calvin Bethany and daughter, Yvonne and Miss Genevieve and Melvin Posival all of Dallas and Mr. and Mrs. L. S. Svetlik and son, Steve of Buckholts.

Mr. and Mrs. Oscar Storey and Mrs. Berniece Wallace visited in the home of Mr. and Mrs. Luke Homine of Temple Thursday. They also visited Mrs. Roy Hightower, who is a patient in Scott and White Hospital in Temple.

Full Speed Ahead

The American business picture is bright so it is full speed ahead with safeguards on the economy.

Business is going to be good. There is buying power . . . billions of dollars, waiting for merchandise.

The merchant who looks ahead, who follows a consistent selling policy led by good advertising well placed, will leave his competitors behind.

This is a day when people read and shop. Remember, merchandise is far more important than the price.

Get a FORD "PHYSICAL"

Every

5000 MILES

IT MAKES good sense to have your car serviced regularly. The wise motorist makes it a habit to have his car lubricated every 1000 miles, and a complete "Physical Exam" every 5000 miles.

Take a look at your Ford's speedometer, today. If it's nearing a "5000" mile reading, bring it "home" to us for your Ford's "Physical"—which includes a thorough engine, ignition, electrical, wheel and brake check . . . and a complete inspection of the body, inside and out.

Make it a habit to let us check your Ford regularly to keep the top performance that's built into your car. It's the right way to catch the "little things" that can develop to make driving unsafe. You'll be surprised how much money you'll save throughout the life of your Ford, with regular Ford care.

Your Ford Dealer invites you to listen to the Fred Allen Show, Sunday Evenings—NBC network. Listen to the Ford Theater, Friday Evenings—CBS Network. See your newspaper for time and station.

Farm Bureau Group Enjoys Picnic

Here is shown a group of Milam County Farm Bureau members and their families enjoying a picnic at

National Hall. The Bureau is growing fast under the leadership of S. W. McClaren, President and the goal is 1000 members in the county.

The following college students were home for the week end: Jack Slaughter and Paul Ray Laake of Austin, Billy Black of Baylor, Lane Horstmann of A&M college, Jack Beasley of San Marcos and Ladis Marek of Georgetown.

Mrs. Minnie Becker of Vogelsang is a patient at Newton Memorial Hospital and is doing nicely.

Claude Ellison of Baileyville made a business trip to Cameron recently.

ICUR

interested in a fine new belt or a fine bill fold, or gloves, to give someone for Christmas. We now have a fine assortment for you to select from. BELTS \$1.00 to \$4.50. BILLFOLDS from 60c to \$10.00.

ICUR

in need of some luggage for Christmas, and as we now have an assortment ranging from \$5.50 to \$40.00—please investigate. Also brief cases and office portfolios. All now go at 1-3 off. A \$30.00 case is now \$20.00 and no tax, as tax is included.

ICUR

also looking for a fine riding bridle. We have them as low as \$3.00 to \$12.00. Or a fine saddle blanket in price from \$1.60 to \$6.50. Come by and let us lay aside for you "of your choice."

ICUR

somewhat thinking of getting a new saddle and while the price is still high we have a nice assortment, and wish you come by and look them over. ... BOY'S Saddle \$35.00; MEN'S Saddles from \$56.00 to \$135.00

ICUR

also interested in a nice bit for riding use, and I almost forgot to call your attention to spurs, girths, quirts, riding breast collars, and martingale are constantly wanted by our stockmen of today. And what a fine Christmas Gift they make.

ICUR

thinking about farm equipment also for the coming season. We have plow collars from \$1.90 to \$3.50 and leather collars from \$3.50 to \$7.50, bridle chains, and such as belongs to farm equipment. 1 1-8x18 ft. check line is \$8.75, when no doubt you have seen the same lines advertised for \$2.00 more. And on many other items we can save you money.

TEXAS POWER & LIGHT COMPANY

YARRELLTON NEWS

Mrs. Randle Sparks and baby of Houston spent last week with her parents, Mr. and Mrs. Joe Ford. Mrs. Sparks returned home Sunday but the baby remained over for a longer visit with grandparents.

Mrs. A. E. Bryant returned to her home Friday after a visit with relatives near Temple and Belton.

The following group recently returned from a successful deer hunt, Ed Pagel, J. A. and E. J. Provasek, Buster Griffin, Dewey McCall and A. E. Bryant. Six deer were killed.

Mrs. W. A. Wilkerson spent the week end in Houston with her son and daughter-in-law, Mr. and Mrs. Tucker Wilkerson. She visited her grand children in Galveston Sunday.

Mr. and Mrs. Bob Griswold, Mr. and Mrs. Bud Caddell and Mr. G. W. Blansett attended the singing convention at Milano Sunday.

G. W. Blansett, Cleve McCall and Clarence Colburn attended a masonic meeting in Backholts Monday night.

Mr. and Mrs. Earl Richerson of Port Arthur, Mr. and Mrs. Wilburn Stokes of Port Neches, Mr. and Mrs. Haley Richerson of Rosebud were Monday visitors in the C. E. Russell home. The group enjoyed a picnic lunch on the river and ate birthday supper with Mrs. Russell before re-

turning to their homes.

Mr. and Mrs. Arthur Chapman and Mrs. Frank Chapman visited in the home of Mr. and Mrs. John McDonald and Mr. and Mrs. John Foster Sunday.

Mr. and Mrs. Zack Griffin visited in the Charlie Griffin home Sunday. Wallace Colburn, Mr. Thompson and a group of F. F. A. boys spent last week in Kansas City.

Robert Massengale, who is now in service and stationed near Waco spent Sunday in Yarrellton.

Steve M. Tepera Has Signed Up With Fifth Armored Division

Steve M. Tepera Son of Mrs. Frances Tepera of Route 1, Cameron has been assigned to the Fifth Armoured Division for eight weeks of basic training.

Reactivated July 6, 1928, the Fifth Armoured "Victory" division rung up a brilliant war record in six European campaigns during World War II. Before the end of 1949 Camp Chaffee is expected to have 20,000 troops, making it the largest Army training center in the nation.

Clara Matula spent Thanksgiving with her brother, Mr. and Mrs. Vince Matula in Temple Thursday.

DON'T SAY FLOOR PAINT—SAY

Flor-Ceal

DOES
MORE
COST
LESS!

per quart
\$1.95
Only \$6.75 per
gallon.

FOR ALL FLOORS (Inside or Out)

Flor-Ceal is the ideal floor covering for any surface—wood, concrete, linoleum. Inside or out. No extra preparation is necessary except for newly-laid concrete. Just clean the floor and apply Flor-Ceal. Dirt, oil and grease will not stain. It's easy to clean, too. When used over old paint, Flor-Ceal covers like magic.

LOW COST

It costs only about 1c per square foot to surface floors with Flor-Ceal. Buy Flor-Ceal in four gay colors, black, white and clear (transparent). Use colors for concrete and exterior wood floors. Clear (transparent) Flor-Ceal brings out all the beauty of wood floors and linoleum. Eliminates the need for shellac, varnish and wax. Guaranteed not to chip, crack or peel. Goes on easily. Dries overnight. Used by thousands for porches, basements, etc.

Marlin Woman Hurt In Auto Accident On Highway 190

Mrs. Cecil R. Glass of Marlin was painfully injured late Sunday on Highway 190 west of Cameron and near Temple when her car was forced from the highway.

Miss Mary Glass, daughter, was driving and as she attempted to pass a car operated by William L. Beacon of Temple, the machine made a left turn and she was forced to leave the road.

Jack Gaines, highway patrolman here investigated the wreck. Mrs. Glass and daughter were returning to their home in Marlin when the accident occurred. Mrs. Glass is well known here and is a sister of Judge Glass of Marlin.

Printing is a home industry.

Replica of One Row Harrow Is Made By F. A. Marek Here

To the ever growing display of museum pieces at The Herald has been added a replica of a one row harrow made by F. A. Marek in Cameron.

Mr. Marek made this copy, mid-get size, from a one row harrow made by his father Jazek Marek in 1886. At that time the family was living in the South Elm community. Mr. Marek recalls that he operated the harrow when he was a boy 13 and 14 years of age.

Old timers will remember this type of old farm implement when they were boys. In those days many such implements were made on the farms.

Mr. Marek made the harrow spindles with a pocket knife and contrived steel handles, a very fine piece of work.

It is rumored that cheerfulness is largely a matter of one's income being above one's outgo.

A scientist says he has proof that life on this planet began in hot water. Did he say BEGAN?

Clarkson H. D. Club

The Clarkson H. D. Club held their achievement at the church Friday at 2 p. m. The president, Mrs. Mitchell presided.

Welcome address was given by Mrs. John Matyastik and scripture reading by Mrs. W. W. Cox.

Songs, "Silent Night, Holy Night", "Bless Be the Tie that Binds" were sung by the audience, accompanied on the piano by Mrs. Chester Rogers. The recipe for a New Year was given by Mrs. Emil Skupin and reading by Mrs. John Matyastik accompanied by Mrs. Chester Rogers. Mrs. John Blasizen gave a prayer.

Each member gave a display of the thing's she had made or remade, which was very interesting.

Refreshments consisted of sandwiches, Potato chips, cookies and punch.

A call meeting will be held at the home of Mrs. John Matyastik on Tuesday night to plan for the Christmas party and other business matter.

Mr. and Mrs. W. W. Wade and son attended the game between Cameron and San Saba last Friday night.

Phone your news items to 282.

Shipbuilder Hunts Petrified Remains of Noah's Ark in Turkey

ANNAPOLIS, MD.—Fred Avery, a model shipbuilder, is going to eastern Turkey to hunt for Noah's Ark. He wants to make a model of it.

Avery fashions ship models for the United States Naval academy here and is known unofficially as commander of the academy museum's "fleet." But building navy ships in miniature has begun to pall.

Avery wants to make an authentic model of the most famous ship of all—the one that Noah built.

Avery has his passport ready and plans to leave on an expedition which he says "has been planned, secretly for more than three years."

The explorers will head for Mt. Ararat, where the Ark is supposed to have come to rest after the Great Flood.

Avery says the backers of the expedition have "good reasons" to believe they have discovered the petrified remains of the Biblical ship atop the 16,915-foot mountain.

The adventurers hope to reach eastern Turkey where snow and ice cover Mt. Ararat most of the year.

Avery is reluctant to discuss the expedition except to say:

"There have been a number of reports that there is something up there. It could be Noah's Ark, preserved under the ice and snow all these years and suddenly exposed by an upheaval in the earth.

"Or for all I know, it could be a house on top of a mountain."

But if it is the famous ship, Avery hopes to be on hand to fashion the first authentic model of Noah's Ark.

Rabbits Lead Golfers Astray in Australia

SYDNEY, AUSTRALIA.—Out in Goondiwindi golfers are mad at the millions of rabbits in the district. It's not that they eat the greens, burrow in the fairways or steal the balls. They merely lead the caddies away from the course.

The trouble revolves around the high prices of rabbit carcasses and skins. Local caddies now go rabbiting. Schoolboys make up to \$52 a week from rabbits in their spare time. Clever rabbits are making three times that amount.

Goondiwindi is the center of a sheep raising district in southwestern Queensland.

Bank Needs President; Gets One Through Want Ad in Paper

HOUSTON, TEX.—The Texas bank which advertised for a president in the "help wanted" column has found its man.

Henry Franks Jr. will take over as president of the First State bank of Texas City. For 20 years Franks has been an employee of the South Texas Commercial National Bank of Houston.

"The girl who took my ad laughed," said Dee Walker, board chairman of the Texas City bank, "but the 50 replies I received proved she was wrong."

Walker said the ad brought replies from at least one junior executive of every Houston bank and from as far as Oklahoma and Missouri.

The ad read: "Wanted—Bank president. Opening for president of 2 1/4 - million - dollar bank, located within 50 miles of Houston in Texas, in city with population of 25,000."

City Dwellers Have Less Chance to See 'Real' Mule

AKRON, OHIO.—The chances that a city dweller will ever get to see a mule "in person" are rapidly diminishing.

B. F. Goodrich company reports that in 1921 one out of six urbanites could expect at some time during his lifetime to come across a "real" mule. But today, the firm said, only one out of 17 can look forward to the same experience.

The company based its findings on reports of "mule and human populations" and the travel habits of city people. More persons are driving out to the "country," it noted, but when they get there, they are more likely to see rubber-tired tractors than a mule. In fact, there are now less than one-half as many mules and horses as there were in 1921 and 11 times as many tractors.

Unusual Layout Eases House Shortage for Married Couple

LIMA, N. Y.—Mr. and Mrs. F. M. Nataline solved their housing problem by going underground.

Faced with high construction costs, the Natalines decided to build just the basement of their future home. Today, they are living in an attractive, well-designed basement which cost them less than \$3,500.

The home consists of a large living room with brick fireplace, bedroom, kitchen, pantry, furnace room, bath and garage. Nataline solved the labor problem by doing most of the work himself.

In five years, the Natalines expect to build the main part of the basement will be into a recreation room, a living room and a

They attended the Cameron and San Saba game in Cameron.

The P-TA will have their regular monthly meeting Tuesday night, Dec. 7, at 7:30 at the school.

Leo Meyer celebrated his birthday Sunday by his relatives surprising him with a supper.

Mrs. Otto Meyer accompanied Mr. and Mrs. Billie McSherry of Temple Monday where Mr. McSherry will take treatment at McCloskey Hospital.

Mrs. W. W. Cox, Majorie Ann Murff and Rosalie Matyastik shopped in Cameron Saturday morning.

Douglas Crook and party have returned home after a deer hunt bringing two bucks.

John Matyastik and George Dorr are planning to leave Tuesday on a deer hunt.

Kathleen Eickenhorst of Cameron is a surgery patient in Newton Memorial Hospital.

Hope Lutheran Sunday School Give Food to Poor Thanksgiving

The Sunday School of the Hope Lutheran Church in Buckholts made possible a good Thanksgiving dinner at the Cameron Poor Farm Thursday by bringing a large box filled with many items of good things to eat.

E. J. Provasek of Buckholts, member of the Sunday School, said that the pupils in the school from ages of 3 on up brought items of food. The box contained about 80 packages, including eggs, and vegetables as well as all kinds of canned goods.

This very fine gesture on the part of the school is greatly appreciated by the inmates of the home and is applauded by the people everywhere.

A radio tube only slightly larger than a grain of rice has been produced.

N. Y. HAYES DIED IN CAMERON LATE TUESDAY

N. Y. Hayes, 75, for many years a resident of Milam county, died at his home in Cameron at 7 p. m. Tuesday, November 23.

Mr. Hayes had been ill for a long period of time. While his condition had been discouraging for some time, his death was a shock to the people of his community and to a host of friends in Cameron and over the county.

Mr. Hayes was a native of Bibb county, Alabama. He was born on December 12, 1873. He had been a resident of Milam county for 34 years and was a retired farmer. Until his health failed he was active as a farmer on his lands at Marlow where he resided for many years.

Funeral services for the pioneer will be held at 3 p. m. Thursday, November 25 at the Marlow Baptist Church with interment in the Marlow cemetery. The body will be at the Green Funeral Home in Cameron until Thursday when it will be conveyed to the church for the services. Interment will be made in the Marlow cemetery with the Green Funeral Home directing arrangements.

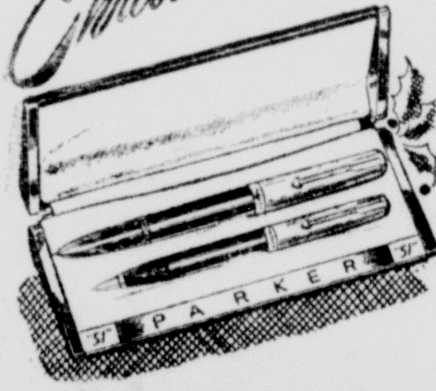

Surviving are his widow, Mrs. N. Y. Hayes of Cameron, one daughter, Mrs. J. P. Coward of Cameron and son, Carl N. Hayes of Pasco, Washington. Two sisters survive also as follows: Mrs. Joe Ely of San Antonio and Mrs. W. McPherson of Arkansas. Seven grand children and one great grand child survive.

There are more cars on American roads than phones—4,150,000 cars to 390,000 phones.

The two greatest writers of their age, Cervantes and Shakespeare, died on the same day.

The state that has the greatest known assortment of dinosaur tracks, uncounted millions of years old, is Connecticut.

This gift in hand makes Christmas grand

Woman Bequeaths Millions to Small Coal Mining Town

PITTSBURGH, PA.—A little coal mining town 30 miles from Pittsburgh inherited millions of dollars left it by a wealthy Philadelphia woman.

Mrs. Mary Fuller Frazier, who inherited several million dollars in 1918, left all but \$210,000 of her estate to the village of Perryopolis. Her will was filed for probate.

The amount of the estate was not made known. She inherited \$1,350,102 in personal property and a large share of seven million dollars in real estate 30 years ago from her uncle, Alfred M. Fuller of Perryopolis.

After making 18 specific grants totaling \$110,000 and setting up a \$100,000 trust fund to provide a watchman and constant upkeep for the family mausoleum in Perryopolis, Mrs. Frazier left all the rest for public improvement to the tiny community of 1,300 persons.

Mrs. Frazier explained in her will that Perryopolis was the place where "I was born and lived, and where my father and mother lived and my grandfather and grandmother lived."

One-half of the bequest is to be used outright for "public improvements," while the remainder will be held in trust for the purpose of maintaining the improvements.

Michael Karolick, grocer, theater operator and fire department chief in Perryopolis, said the money would be used to have the streets paved, public school repaired, a library built and the Perry township high school equipped with a stadium.

Home Owner Discovers Alcohol in Water Taps

RARITAN TOWNSHIP, N. J.—John McSorley thought there was something queer about the water in his housing development home. A test showed 12 to 33 per cent alcohol.

The explanation, supplied by the water department:

The builders put alcohol in the pipes to prevent freezing during construction and apparently some had not been removed when the pipes were drained. Apparent lack of a check valve allows the alcohol to back into the water supply line when the water pressure is low.

Absent-Minded Professor Forgets Back-Seat Driver

CHARLOTTESVILLE, IND. — W. J. Cunningham, 72, Cambridge, Mass., a retired professor in the Harvard graduate school of business, and his wife, Ethel, 64, were driving home from a 6,000-mile vacation trip to the West coast.

He stopped the car at Greenfield, Ind., to look at a road map. Mrs. Cunningham got out to mail a postcard.

Forty-five minutes and 30 miles later, Cunningham was driving along U. S. 40 when he noticed his wife wasn't in the car.

Cunningham started back to find her. En route, he stopped at Knightstown, Ind., and called a state policeman. Cunningham parked his car and joined Trooper Fred Forst.

Meanwhile, Sheriff Jack Rubush saw a well-dressed woman walking on the road with a crowbar in her hand.

"Are you in trouble?" he asked. "No," the woman replied. "But I'll tell you a funny story about an absent-minded professor."

Rubush drove Mrs. Cunningham to Charlottesville and there they met Forst and Cunningham.

Farmerette Complains Because Driller Strikes Oil on Land

FRISTOE, MO. — When a well driller told Mrs. Lou Brooks Thomas, 73, that he had struck oil on her farm, she objected.

"All I want is good drinking water," she said, "and you can't get that from an oil well."

Bill Barnes, the driller, related that he hit a pocket of oil while re-drilling a water well on Mrs. Thomas' farm, near this west-central Missouri town.

Mrs. Thomas ordered the well sealed with concrete and another one drilled nearby. In drilling the second well, Barnes reported finding a similar rock formation and a slight coating of oil on the water at 102 feet. Mrs. Thomas told him not to go any deeper. She said she was afraid he might strike oil again.

Bald Law Student Defeats Coeds for Queen Title

UNIVERSITY, MISS.—A slightly bald law student, Frederick T. Carney, defeated three coeds in a queen election at the University of Mississippi.

Billed as "the candidate with the fringe on top," Carney led the field with 610 write-in votes.

In a campaign speech he said: "Gen. William T. Sherman said, 'If I'm nominated, I'll not run; if I'm elected I'll not serve.' If I'm elected I will serve."

But the student executive council ruled Carney out because he had not omitted his candidacy before the election. They ordered a run-off between a couple of the girls.

Polling Places For Farm Committeemen Election Are Named

Farmer Committeemen for Milam County to carry out the Agricultural Program of the government will be elected on Thursday, December 9 it has just been announced.

Polling places are announced with communities grouped and designated to vote as follows:

Ben Arnold, Clarkson and Baileyville at Skala's Store in Clarkson.

Branchville, Maysfield and Jones Prairie at Doc Thweatt's store in Maysfield.

Gause, Milano and Hanover at Woodman Hall in Milano.

Rockdale, Bushdale and Hamilton Chapel at City Hall in Rockdale.

Thorndale, Pleasant Hill and San Gabriel at the Co-Op Gin in Thorn-dale.

Sharpe and Davilla at the Domino

Hall in Sharpe.

Buckholts, Corinth and Sandy Ridge at Criswell's Cotton Office in Buckholts.

Cameron, Yarrellton, Salem, Minerva and Marlow at the AAA office in Cameron.

These committeemen are named by eligible formers and this is a farm program, says A. E. Sanders, Administrative Officer for the Hilam County ACA. "Since every farmer has a nitnerest in seeing that the National programs are fitted to local needs he owes it to himself to vote for the man he feels will best carry out their responsibilities."

Authorities are not agreed what language Jesus spoke but many believe it was Aramaic.

Gloria Anita Cole And Glenn R. Brown Are Married Here

An impressive double ring ceremony at First Methodist Church Sunday, November 21, at two o'clock united in marriage Miss Gloria Anita Cole, daughter of Mr. and Mrs. E. C. Cole of Cameron to Glenn R. Brown son of Mr. and Mrs. G. R. Brown of Jacksonville, with Rev. L. L. Lemons, pastor reading the vows before a decorated altar.

Miss Catherine Monroe presided at the organ and gave the prenuptial music and accompanied Miss Shirley Horstmann who sang, "Because".

The bride given in marriage by her father was attired in a green taffeta frock with low neckline and cap sleeves. The bodice was shirred and the skirt was full flared. She carried a bridal bouquet of bronze mums tied with bronze ribbons and in the center was an orchid. Her hat was black velvet wreathed with starched net and sequins.

Attending the bride was her cousin Geraldine Underwood of Overton, who was dressed in a sequin trimmed black marquette over wine taffeta. Her hat was off the face black felt model with beaded veil, and she carried a bouquet of green tinted mums tied with matching satin ribbons.

Frank Brown of Palestine, served as best man. Hayder and Edwin Brown of Jacksonville, brothers of the groom were ushers.

The bride's mother wore a green crepe frock with pink carnation corsage. Mrs. G. R. Brown the groom's mother wore black crepe and satin with a black flower trimmed hat, and a pink carnation corsage. The organist wore black lace and crepe with carnations and Miss Horstmann wore a black crepe trimmed with sequins and a halo of carnations in her hair.

Following the wedding a reception was held at the home of the brides parents. Miss Horstmann registered the guests in the brides book.

Mrs. Ben Reichert, Mrs. C. J. Schulz, Mrs. Jack Hanagriff assisted in the dining room. The dining table was centered with a bowl of white pom-pom chrysanthemums. The cake, arranged in three-tiers, was beautifully decorated and topped with a tiny bride and groom and wedding bells.

After the reception the bride and groom left for a wedding trip to New Orleans. For traveling, the bride wore a gold wool suit with brown accessories, and a small brown hat trimmed with braid. Her corsage was an orchid. They will make their home in Tyler.

The bride is a graduate of Yoe High school and attended Lon Morris College at Jacksonville where she finished the two year junior course with honors and completed work toward her BS degree at the University of Texas. She taught in the Bryan High School last year and is a member of the Gladewater High School faculty this year.

Miss Cole was secretary of the First Methodist church at one time and was active as leader for girl's summer work. She is a member of the Methodist choir and has always been a member of the Young People's group of her church.

The groom was reared in Jacksonville and attended Lon Morris College before entering the University of Texas for further study. At present he is employed by the Radio Station in Tyler.

Out of town guests for the wedding and reception were: Mr. and Mrs. G. R. Brown, Mr. and Mrs. Hayden Brown and daughter Patsy, Edwin Brown all of Jacksonville, Hulan Brown of Austin, Mr. and Mrs. Jack Hanagriff of Wharton, Mr. and Mrs. G. H. Avery of Palestine, Miss Charlotte Smith, Miss Eleanor Williams of Bryan, Mr. and Mrs. Frank H. Brown of Waco, Mrs. M. Bullock of Rockdale, Mr. and Mrs. J. C. Wallace, Miss Jeanie Cone, Miss Imogene Sanders of Minerva, Mr. and Mrs. Charles J. Schultz of Dickinson and Geraldine Underwood of Overton.

Mrs. Frank Polansky Hostess To St. Rita

Mrs. Frank Polansky, assisted by Mrs. Rudolph Richter as co-hostess entertained the St. Rita Circle, November 17 at the home of Mrs. Polansky.

Twenty members and two guests, Mrs. Emil Zelisky and Mrs. Herman Polzer were present. Mrs. Herman Hanel was welcomed into the circle as a new member.

After the business session the hostesses served pecan pie and coffee. The next meeting will be held on December 1, at the home of Mrs. Walter Plocek with Mrs. Joe Michalka as co-hostess.

J. B. Aycock of Houston spent several days in Cameron last week where he visited friends.

Guests in the home of Mr. and Mrs. J. J. Martin for Thanksgiving were: Mr. and Mrs. W. E. Dunham and sons of Bryan, Gladys Martin, student at Texas University and Earl Wiggins of Austin.

Mrs. Jim Crouch Is Hostess to Happy Time 42 Club

Mrs. Jim Crouch entertained the Happy Time 42 Club Friday afternoon at her home on North Fannin.

The afternoon was spent in spirited games of 42. Mrs. Hugh Ridout winning low score, Mrs. Dakel 84 and second high and Mrs. Pat Yarbrough high.

A Thanksgiving trend was carried out in the table covers and the delicious refreshment plate, lending a festive air to the occasion. Plate favors were tiny mum corsages.

Guests for the afternoon were Mrs. Wightower, Mrs. Bergum, Mrs. Dakel and Mrs. McLane.

Birthday Party For Ann and Billy Knipp

Ann and Billy Knipp, twin children of Mr. and Mrs. August Knipp, were honored on their tenth birthday Friday with a party at their home. They had 30 guests join them in celebrating the event.

A weiner roast was held in the yard and fruit punch was served. Later the children were invited into the dining room where the table, centered with a bouquet of white chrysanthemums, held a pink and blue birthday cake topped with candles.

Mrs. Albert Schofield of Palestine, sister of the honorees, assisted with entertaining the children. Favors were plastic windmills.

Mrs. Jack Gaines Is Hostess At Birthday Party November 20th

Mrs. Jack Gaines was a charming hostess at a birthday party at the Gaines home Saturday night, November 20, in honor of Miss Susie Dell Matthews.

The home was decorated with seasonal flowers.

The hostess was assisted in serving by Mrs. J. H. Glass, Mrs. Barron and Mrs. Matthews. She served dainty sandwiches with hot chocolate and cake. On the raptures was the name of the honoree.

Guests for the party were: Johnnie Yarbrough, Mary Ann Kennon, Nila Jean Fuller, Floris Ermis, Johnnie Fay Glass, Floris Fuchs of Buckholts, Rev. and Mrs. J. H. Glass, Mrs. Susie Matthews, Mrs. Frank Barrett of Yarellton, Mr. and Mrs. Douglas Barron, Mrs. Jack Higginbotham and daughter Sandy, Barbara Ann Jenness, John Richie Marrs of Buckholts and Terry Hardwick.

The many games played were conducted by Johnnie Fay Glass, Mrs. Glass and Mrs. Gaines.

Patrolmen Gaines and Higginbotham were present at the party during the refreshment course.

Wesleyan Guild And Guests Enjoy Dinner

A dinner for members of the Wesleyan Service Guild and their guests was given by the Women's Society of Christian Service in the Fellowship hall of the Methodist church Monday.

An Autumn motif was carried throughout in the decorations with massed arrangements of vari-colored leaves placed about the hall. A harvest basket with vegetables and fruits spilling from it marked the speakers table. Colorful live oak leaves formed a center runner, interspersed by turkey candles.

Chrysanthemum corsages were given the guests.

Mrs. Albert Collins directed the program. Vocal selections were sung by Miss Shirley Horstmann, accompanied by Mrs. Winnie Wittliff and piano numbers were played by Miss Elizabeth Hassler.

Guest speakers were introduced by Mrs. R. L. Lemons. They were: Mrs. Alma Riley, secretary of Wesleyan Service Guilds, South Central Jurisdiction and Mrs. Maurice Faubian, Treasurer of the Texas Conference Women's Society of Christian Service. Both were from Houston. About 60 women were present.

Mr. and Mrs. H. C. Leonard and son, Mrs. Annie Richards and Mrs. Kenneth Leonard visited in the home of Mr. and Mrs. Will Leonard and family in Temple Thursday.

David F. Scott of Luling recently spent a few days with his mother Mrs. Eunice Scott.

RELIEF AT LAST For Your COUGH

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

Gloria Anita Cole, Bride of Week Honor Guest At Shower

Honoring Miss Gloria Anita Cole, recent bride of Glenn R. Brown: of Tyler, Mesdames R. L. Batte, A. W. McCullin, Ben Reichert, Alva Sanders and Miss Lelia Lee Batte entertained with open house and a shower at First Methodist Church Saturday evening from 4 to 6 o'clock. Mrs. Batte registered about forty guests in the bride's book.

The fellowship hall was beautifully decorated with Chrysanthemums and colorful autumn leaves. The house-party was in formal attire and the bride chose a pale blue taffeta with silver sequin trim for the occasion. She wore a corsage of pink carnations tied with silver in her hair. Mrs. McCullin, the bride, Mrs. E. C. Cole, mother of the bride, and Miss Jerry Underwood of Overton, cousin of Miss Cole were in the receiving line.

The refreshment table, covered with white rayon damask and centered with lovely bride doll with veil and tiny corsage. She stood on a large reflector, and crystal prism vases of tiny white chrysanthemums at either side were joined to smaller vases of these flowers in the foreground with net and satin ribbon.

Mrs. Sanders poured tea and Mrs. O. B. Hortmann presided at the coffee service. White cake squares, salted pecans, and pastel colored mints were offered. Mrs. Reichert assisted with refreshments, and little misses Carol Ann Sanders and Sandra Jean House in long party frocks offered favors, cellophane bags of rice tied with satin ribbons to cards printed in gold with the names of the bride and groom.

Mrs. Herbert Colburn was in charge of the gifts which were placed on lace covered tables in the background. Miss Batte played recorded music during the tea hours.

Miss Cole served for a short time as secretary of the church and has sung in the choir and participated in the Young People's work of the church since high school days.

The best way to be satisfied with your lot is to build a house on it.

THE CAMERON HERALD

DECEMBER 2, 1948

Miss Doris Friemel And Ernest Ehler Married November 3

Miss Doris Friemel, daughter of Mr. and Mrs. Rudolph Fremel, became the bride of Ernest Ehler, son of Mr. and Mrs. Richard Ehler, November 3, with Father George Duda, pastor reading the double ring ceremony at Saint Monica's Church.

The bride was gowned in white satin with a short train-length veil falling from the beaded crown. She carried a bridal bouquet of large white mums intermingled with net and white satin streamers. For something borrowed she wore a strand of pearls belonging to the groom's sister. For something blue she carried a blue handkerchief belonging to her grandmother, which also made it old. Her dress and veil was something new.

Irene Vybral was maid of honor and wore a gown of pink taffeta and carried a bouquet of blue mums. Theola Lange was bridesmaid and wore an evening dress of blue net and carried a bouquet of pink mums. Walter Anderle served the groom as best man and Antone Vybral as groomsman.

Mrs. Friemel, mother of the bride was dressed in navy blue crepe, complimented with black accessories,

and Mrs. Ehler, mother of the groom wore a light blue suit with black accessories.

A reception honoring the wedding party was held at noon, at the home of the bride's parents. The bride received many beautiful and useful gifts, and expressed her appreciation to each in her most charming manner.

The couple will make their home in Cameron where the groom is employed at the A. J. Mondrik Grocery. Mr. Ehler is a veteran of World War II, having served thirty months during the time.

Thanksgiving holiday guests in the home of Mr. and Mrs. J. L. Slaughter were their children, S-Sgt. and Mrs. Jack Reaves and son of Randolph Field, and Mr. and Mrs. J. H. Rice and son of Waco. Other guests were Mr. and Mrs. J. W. Boykin of Mart and Mrs. T. W. Boykin of Cameron. Mrs. Boykin, mother of Mrs. Slaughter will observe her 83rd birthday on January 23, 1949.

Mrs. D. H. Slaughter has returned from a months stay in St. Petersburg, Florida, where she attended the bed-sides of her sister and brother-in-law, who are surgery patients there. She reports that both are improving nicely.

YOEMEN UNDERDOGS IN REGIONAL TEST FRIDAY

(From the Daily)

For the first time in the 1948 season the Yoemen will go into a ball game the underdogs, so say sports writers in some quarters while others say it will be a great ball game Friday night.

Furthermore it is being printed that the game here Friday night will be the deciding game of the state championship race. That is not a certainty. Nowhere have the Yoemen been placed in the favored light. Considerable lack of information prevails.

In October there seems little doubt had Cameron played New Braunfels it would have been a toss up, perhaps in favor of the Unicorns. As it looks now the visitors may have the edge but that is somebody's opinion too.

The Yoemen are to be depended on to waive all suggestions that they are not fully confident they will win.

It is no secret that both Bob Wilkerson and John Matula will be missed in these crucial days but the team has closed ranks and moved on.

All are in good condition and are working hard after their briefing Monday on the opponents they are

to face. The underdog status applied to the Yoemen does not stem from The Herald but comes from a long series of comments by sports writers. Some have said that Cameron and New Braunfels have the best Class A teams in the state.

Early Tuesday The Herald received information on the Unicorns from the Navasota and New Braunfels game, thanks to Penn Wolf and the comparisons will be made Wednesday.

CARD OF THANKS

We gratefully acknowledge with deep appreciation the kind and thoughtful expressions of our many neighbors and friends during our recent bereavement. The sympathy and love expressed by your deed of kindness will always remain a sweet memory and consolation.

Mrs. Katherine Barmore.

Mr. and Mrs. Gaston Barmore,

Mrs. Selma Barmore and family.

Mrs. E. L. Kahler and sons, Earnest, Jr., and Charles and Mrs. V. A. Kubecka attended the funeral of Jimmy Logan in Houston Sunday. Mr. Logan is a nephew of Mrs. Kubecka and Mrs. Kahler.

Mr. and Mrs. Louie Dunbar and children, Ann and Jane of Dallas spent the past week end in the W. M. Fanning home.

Duck

Takes His First Swim

LITTLE FERRY, N. J.—A duck named "Dopey," which meets its young mistress at the bus, finally has taken its first swim in four years.

Miss Diane Zimmerman has been trying ever since she acquired Dopey as a duckling to interest him in the water.

Dopey demurred.

But the reluctant duck finally flew through an open window, and, when found, apparently had overcome his fear of the water. He was riding serenely in Willow lake.

It took an hour to coax him out.

Clerk Gambles U. S. Funds on Horses; Loss: \$40,000

LOS ANGELES.—A sad story of afternoons playing the races and nights worrying about his losses followed the surrender of a trusted postal clerk.

Andred A. Benson, 40, chief clerk at the Inglewood, Calif., post office and a 20-year veteran of the service, acknowledged embezzlement of \$40,000 in government funds to Howard V. Calverly, U. S. commissioner, with the statement, "I couldn't believe any man could lose so consistently."

Benson said he wound up "without a dime" when Hollywood park, located in Inglewood, closed. Lee Miller, postal inspector, said Benson surrendered and declared:

"The horses got me. I couldn't sleep or eat. I knew the federales would pick me up some day, so after Hollywood closed I decided to give myself up and get it over with."

Married and the father of a child, Benson is held in default of \$2,500 bond for a federal grand jury. In his county jail cell, he said:

"I was a \$2 punter when Santa Anita opened. Gradually I increased my bets to \$5 and \$10 on the nose. My luck was bad, I got in the hole worse and worse. I tried to get out by playing long shots. They lost. I bet big sums on favorites. They also lost."

He said \$1,000 was his largest bet, but he couldn't remember the horse's name. He did remember, however, that it lost.

The \$3,900-a-year clerk said he was \$22,000 in the hole at the start of the last week of racing at Hollywood park and in a desperate effort to "get even," took \$18,000 more of the postal receipts and lost it all.

"I juggled the accounts to cover my defalcations," inspectors quoted him. "Now it's all gone, along with my reputation."

Rocket Mail Delivery Not Recognized by Postmaster

TRONA, CALIF.—The rocket mail didn't go through.

Youthful scientists sent eight rockets loaded with 4,200 letters soaring a mile across dry Searles lake practically into the Trona postmaster's lap.

But that functionary, Don B. MacPherson, refused to accept the mail for sending because it bore stickers resembling U. S. stamps.

Sponsors of the rocket experiment, Reaction Research Society of Glendale, said they had stamped all envelopes "not U. S. postage" as instructed by U. S. District Attorney James Carter of Los Angeles.

The rockets are of stainless steel, 11 feet long and 3 inches slim. Their testers, mostly junior college physics students, claim they go 400 m.p.h. and 4,000 feet high. The young scientists foresee a future transcontinental rocket mail service.

But somebody had better tell the postmasters first.

Toothless Boy, 12, Gets Third Set of False Teeth

DES MOINES.—Twelve-year-old Tommy Black of Shenandoah, Iowa, is having his third set of false teeth made.

The strange case of Tommy—who never has had a tooth of his own—was told at the Iowa Dental society convention by Dr. Joy A. Rotton of Shenandoah.

Dr. Rotton said he fitted Tommy with his first set of dentures when the lad was only eight years of age.

Before getting his first dentures, Tommy could eat only soft foods.

"Now he eats apples, corn on the cob and anything he wants," Dr. Rotton said.

He added he never heard of another child so young with a full set of false teeth.

Trapped Bull in Silo Gives Farmer a Baffling Problem

NEW HAMPTON, IOWA.—Farmer Orvin Knutson has a two-horned dilemma at the bottom of his silo.

A 1,200-pound Guernsey bull fell into the pit, and Knutson doesn't know what to do about it.

Along with a nice set of horns, the critter has such a mean disposition that Knutson doesn't want to descend into the narrow confines to attach hoisting belts.

He said it would cost more than the animal is worth to knock an exit hole through the silo walls. But the animal has not been fattened for slaughtering, he added.

Besides, Knutson has three feet of silage which would be spoiled in the killing.

Faculty Members Are To Attend Teacher's Meeting in Dallas

Mrs. C. L. Canada, senior English teacher of Yoe High School English Department will attend sessions of Texas State Teachers Association meeting in Dallas this week end. She is on the program to direct a group discussion on the teaching of remedial reading in High school.

Others attending the meeting are C. L. Canady, Principal of Ada Henderson, who will attend Elementary Principal's meeting, Supt. W. T. Hanes, S. M. Layfield, Principal Yoe High school, Mrs. Bodie Jones and Mrs. Robert Wiese.

Mr. and Mrs. Marvin Pratt had the following visitors in their home Thanksgiving day; Mrs. Jack Patchen of Houston, a sister of Mrs. Pratt, Mr. and Mrs. Charlie Pratt and Mr. and Mrs. David Pratt and family of Milano. Mrs. Patchen will remain for the week end.

Carroll York is spending a few days in Houston with his mother, Mrs. D. C. York, who is very ill.

Mr. and Mrs. Flake Brooks and children of Freeport are visiting in the homes of Mrs. Susie Matthews and Mrs. Lillian Barrett of Yarrellton this week.

ANY MAKE RADIO repaired. Call 104. PARMA RADIO SERVICE.

Mr. and Mrs. R. B. Kilgore of Cleveland, Ohio are the proud parents of a son born at a hospital there, November 22, 1948. The baby weighed seven pounds and four ounces. Mrs. Kilgore is the former, Ray Fanning. The grandparents are Mr. and Mrs. W. M. Fanning of Cameron. They also have another son, Billy who is three years of age.

It might be a good idea for somebody to get up a poll to see how much attention people pay to polls.

Miss Myra Jean Vaughan with the Western Union in Mineola spent the week end in Cameron with relatives.
